# Fugitive Recaptured In Antioch

On Monday, May 15th, Antioch was the scene for the recapture of a fugitive who had escaped from a downstate prison earlier in the day.

Daniel Fairbanks, 37, a convicted armed robber serving a seven year sentence was recaptured by elements of the State, Lake County and Antioch police. He had escaped from the Joliet State Penitentiary and may have been

attempting to visit his former wife.

The capture was made at 8:08 p.m. after a roadblock involving ten or more squads had been set up at the intersection of Tiffany Road and North Avenue. Fairbanks surrendered without a struggle.

Also arrested in the incident was Allen E. Jenkins, 26, of 4450 North Kedzie Avenue, Chicago, the reported

driver of the car. Jenkins was charged with illegal transportation of liquor and aiding and abetting a fugitive.

Another youth, a son of the fugitive and a passenger in the car was released to his mother's custody when it was determined he was guilty of no offenses.

Police officers instrumental in the recapture of the escaped man were: Corporal V.H. Plotz and troopers Gary

Knight, Rick Mason, Charles Larson and John Liggett of the State Police; Sgt. Butler, Corporal Walters, Detective Clements and Deputy Willie Smith of the Lake County Sheriffs Police; and Officer Gerald Hannum of the Antioch Police.

Fairbanks has already been returned to the Joliet Penitentiary and Jenkins is being held in the County Jail in Waukegan pending trial.

# Grade School Referendum Looms Ahead

Individual members of the Antioch Grade School Board have issued a statement announcing their willingness to run a referendum and immediately reinstate all curriculum cuts should the measure be passed by the voters.

The statement came as a result of dialogue between the board and

citizens "committee of 8", but will not be official until: (1) the citizens committee reapproaches the board with a request for a referendum and (2) the board votes for such a referendum at a board meeting.

According to reports, the "committee of 8" which is made up of two representatives from the districts four schools, will return "with all haste" to the school

parents groups for a favorable recommendation for holding a referendum. Should this occur board sources said they were prepared to call a special meeting to make their proposal official.

Apparently, if a referendum is run the Education Fund rate increase will amount to \$.35. The board has favored an addition to the tax rate of \$.48, but had listed the "welfare of the students" as

predominant in their decision.

In addition to the Education Rate hike, the board agreed to the possibility of converting to a Unit District system and recommended a \$.03 increase in the Transportation Fund rate.

According to the board statement, the group recommended the hike "with the safety of the children in mind... to insure adequate busing monies for safe and reliable transportation." The board had previously stirred a hornets nest by cutting bus service for those children who lived within one and one half miles of school.

The board also announced that they intended to continue to "tighten the expenditure belt" in non-instructional areas, although they preferred not to be limited in their action by stating a quoted figure.

The Antioch Chiefs and Squaws 4-H Club met at the Antioch Aqua Center last Saturday at 1:00 P.M. for an Ecology Hike. With the able assistance of Bill Riebert, Jack Ester, Lori Haviland, Lisa Irving, Eva Auxier, Eric Blanchette, Daryl Blanchette, Michele Blanchette, Mary Roberts, Genelle McKenna, Greg McKenna, Tammy Jorgensen, Sharon Smith, Candy Bailey, Sue Amundsen, Tammy Ester, Shelley Ester, Mike Brady, Jo Vasek, Chuck Auxier, Bobby Auxier, Roy Anderson, Eric Anderson and Jamie Vasek, they cleaned up the picnic grounds at the pool and the city parking lot.

Our thanks to the many merchants who donated garbage bags. (Staff Photo)

## Drivers Examining Station Moving

Secretary of State John W. Lewis today announced that the Waukegan Drivers License Examining Station will move to a new location on Tuesday, May 30.

Secretary Lewis stated that moving the facility from 2712 Grand Avenue to 2217 Grand Avenue will result in more space for daily operation and additional parking.

## NAMED TO AID SPECIAL COMMITTEE CLEAN-UP

A special village committee was formed on May 15th to study the problem of clean-up in the Oakwood Knolls section of the Village.

The matter was brought before the village board by Thomas Williamson, a representative of the Oakwood Knolls Home Owners Association. Williamson gave the board a list of addresses and lot numbers "that make the subdivision look like a slum."

According to Williamson there are approximately 25 to 30 lots that contain trash, fallen trees and even abandoned trucks and cars. He asked the board "to notify or penalize" the parties in question in order to maintain the upkeep of the area.

Village Trustees named to the special committee were Mrs. Marge Nelson, Irv Walsh and Arnold Weber.

Geoffrey Croon from Lake Villa who was shopping in Antioch with his parents on Saturday just had to try out the horn of the 1901 Oldsmobile that is owned by John Teresi. Showing the "old and the new" Oldsmobiles is part of the 75th anniversary of Oldsmobile. (staff photo)

## 4 Teachers - 85 years experience - RETIRE

At their May 9th regular meeting, the Board of Education of the Antioch Elementary Schools accepted four retirement resignations representing a total of 85 years of service to the Antioch Schools. The Board of Education expressed their gratitude for the many years of faithfulness and excellence of performance to the community of Antioch.

Retiring were Mrs. Shirley Edwards, third grade teacher at Oakland; Mrs. Ruth Baethke,

first grade teacher at Antioch; Mrs. Wanda Barthel, third grade teacher at Antioch; and Mrs. Helen Nelson, who has been the school district's treasurer for the past 23 years. Two of the retiring ladies, Mrs. Baethke and Mrs. Nelson, graduated the same year from the Antioch High School.

The Board of Education is accepting applications for a new school treasurer, for appointment at the beginning of the fiscal year, July 1, 1972.

## NEW STREET AND RESIDENTS APPEAR

Antioch has a new street. Officially it is listed as Joanna Court and is located east of 601 Main Street.

The street and the Main Street address are euphemisms for the Joanna Apartments

complex now being completed. The complex when completed will consist of six buildings with twelve apartments per building.

One building already has eight to nine apartments rented

and the others are scheduled for completion periodically over the next two months.

Breakdown for the contents has been listed as eight two bedroom and four one bedroom apartments per building.

### Conscience

We do not usually consider this column the province of national headlines, but the tragic and hopelessly senseless shooting of Alabama Governor George Wallace dictates that we make comment.

While the town of Antioch and its people have never been the object of a presidential visit, or for that matter the tour of a major candidate, we are as much involved as any since we are the Americans that are governed by presidents and vote for candidates.

Words such as numb, shock or bewildered do not fully capture our feelings. While we of course are outraged by this wanton attempt, there is something of pity in our hearts. Not directly for George Wallace, although he has our prayers. Not, of course for Arthur Bremer, the accused assassin. But for our beloved country.

Where has 200 years of democracy taken us, that we cannot resolve our differences, but with the gun?

The events of the last nine years have shown that Americans have become progressively more violent in their beliefs and less rational in their credos.

The list of Americans laid low because of their political and social platforms is all too long.

Has democracy indeed been a success, when the very candidates who seek to use its freedoms are shot down?

The point we are trying to make is that the mood or attitude of the country has shifted. Too many people are now ready to resolve their differences by the use of violence.

Dallas, Memphis, and now Laurel, Maryland while geographically removed from Antioch are not psychologically distant. Who is to say that at this very moment, a child who sits in one of our classrooms will not in the future attempt to resolve his conflicts by resorting to violence. There is a little of the assassin, the murderer, the slayer in all of us.

In essence, the only way our democracy, our youth, and our freedoms can be safeguarded is for us, the grassroot Americans, to examine our attitudes. Militant irrational opposition to any person, program or project is symptomatic of the violence and illogic that has so recently occurred.

### THOUGHTS ON THE SCHOOL BUDGET

As a member of "The Citizen's Committee" which spent nearly 30 hours reviewing the budget cuts recommended by the Board of Education of District 34 along with the school's budget, I feel impelled to make a personal statement concerning the situation. This does not necessarily represent the viewpoints of the other members of our group, although it may.

I. a. I cannot condone any budget cut that restricts our children's curriculum in any of the areas where our Board made cuts. Some people become musicians, some carpenters, some athletes, some housewives, or waitresses, or cooks in restaurants, and some mathematicians. These are formidable years where young people develop their areas of strength and interest. Do we want a generation of children that have not had a complete curriculum to develop their singular needs? Does it make any more sense to cut music, competitive athletics, home economics, and industrial arts (shop) from our curriculum than it does mathematics?

b. I do not like the fact that most of the areas where TEAMWORK is required were cut from the curriculum. I feel that these activities are crucial in the learning and development of most of our young people.

c. Every year, and every month, and day, and minute

### REPORTS FROM WASHINGTON

In connection with the passage last week of the amendments to the Federal Fair Labor Standards Act, the U.S. House of Representatives increased the minimum wage rate for non-agricultural employees to \$2.00 an hour beginning in 1973. The overall measure will affect some 34 million American workers, some of whom (an estimated 3 million) will receive added compensation by reason of this change in the Federal law. However, others will simply lose their jobs -- and still others will be excluded from entering the job market by reason of these minimum wage provisions.

Most of the support in behalf of minimum wage legislation comes from labor union leadership whose members receive far more than the minimum wage provided in the amended bill. Their support for such legislation is motivated by (a) compassion for low-salaried, non-union employees and (b) the more selfish hope that, if minimum wages are raised, this will in turn result in increases for them.

It requires very little investigation to discover that a

that one student spends in these deleted areas might contain the spark that leads him along the pathway he will follow for his life. Every minute lost may lose a student to frustration, a poor choice of profession, idle time, or drug addiction. The deletions offered by our Board of Education of District 34 will lose forever, (an unrepairable loss), 1 year of a well rounded education for our children.

II. a. In our area I cannot accept lightly any reduction in the Transportation of our students as presently planned. There are many young people who will have to walk along significantly dangerous traffic areas by these deletions. One bad injury or loss of life would make this area of savings in the school budget a serious loss.

III. a. I feel the Board of District 34 should support our "Committee's" recommendation concerning decreases in noninstructional costs.

a) Capital expenditures \$10,000

b) Custodian salaries \$14,500 (I have some reservations here)

c) 1/2 Secretarial position (3 schools) \$6,100

d) Playground supervision \$3,000 (this would be a good project for PTA participation)

e) Towel service \$1,500

TOTAL \$35,100

\$2.00 minimum wage for unskilled or part-time employees is quite damaging to the average small employer. Many at the lower levels of the of the economic ladder are employed in positions which include job-training as well as the performance of useful service. These marginal jobs serve extremely important economic and social needs. The staggering rate of unemployment among young people, and particularly young blacks, shows the damage which can be attributed in part to minimum wage laws which preclude these young and disadvantaged individuals from entering the job market or from enhancing to some degree their economic independence.

In a letter written some months ago by John A. Renick of the Social Science Department of the North Chicago High School, the fallacy of minimum wage laws was dealt with directly and convincingly. As Mr. Renick declared: "...minimum wage laws are a chief cause of the disproportionately high unemployment levels among blacks, especially teenagers." Mr. Renick cited as one of his authorities President W. Allen Wallis of the University of Rochester, who declared that "...minimum wage laws are in effect, though not in intention, among the most anti-Negro of laws."

Some indication of the effect of minimum wage legislation may be revealed in the recent publication of the U. S. Department of Labor which shows a 34 percent drop in black employment as

b. In addition, I feel the position of, "Business Manager," should be deleted until District 34's size is large enough to warrant this position. The position should be replaced by a "Budget Secretary" at a saving of approximately \$10,000 per year.

IV. I feel "serious consideration" is not enough in giving thought to a feasibility study for a Unit District here in Antioch. This could conceivably save enough monies in STATE AID to bail us out of our deficit spending situation, both in the high school and in District 34. It is a must in my opinion. I support this study wholeheartedly knowing it may yield no benefits, but likely will.

V. I do not favor deficit spending, however, if having a choice between this and our children's educational completeness occurs, I would have to go with our children's education. Our study has shown a need for a \$0.35 cent increase in the Education Fund Tax rate. I FAVOR THIS, but would not approach the public with this as an alternative to dropping quality education for our young folks. I would consider deficit spending as a mortgage on the quality of person we turn out from this community, similar to the mortgages many of us have on our homes or loans for our cars, not desirable but sometimes necessary. Lastly, I must support the additional 3 cent raise in tax rate the Board of District 34 has recommended if this will insure the safe transportation of our children to and from school.

Robert J. Barnes M.D.

household employees and a 61 percent drop among black farm workers, as well as a 9 percent reduction among blacks in the unskilled labor force. Meanwhile employment of whites in these categories except household help, has increased sharply.

While the nation strives to reduce unemployment among all citizens, it would be well to face up directly to the 35 percent unemployment rate among non-white youths. The measure which would raise the hourly minimum wage will simply increase unemployment of this group.

If we want seriously to try to reduce unemployment among teenagers, and particularly among young blacks, we should discourage such action as boosting minimum wages.

## Village Board has Lengthy Session

At their May 15th meeting, the Antioch Village Board handled a lengthy volume of business in a session that lasted until nearly midnight.

Decisions made by the board included the purchase of the former roller rink south of the Village Hall on Broadway from Mr. and Mrs. William Keulman. Price for the property and building was listed at \$45,000.

Village officials said their plans were incomplete now, as to its use, but that many avenues of use did exist.

The village Department of Public Works will begin to flush and clean the village fire hydrants on May 23rd.

According to Fire Chief Charles "Tod" Mapletorpe the procedure is followed each year and will take several weeks to complete. Village residents may suffer some inconvenience as their water turns orange from rust in pipes, but there is not health or safety problem involved.

The village approved preliminary plans to locate a pet shop at 921 Main St. The building formerly housed a discount drug store. No date as yet has been given for the start of the remodeling work.

The Village Board sent a set of preliminary drawings to the Plan Commission for study in regard to a proposed commercial and apartment complex.

The complex would be built on land now occupied by Ted's Bike Shop, east of the Ben Franklin and west of the Antioch Savings and Loan on Lake Street.

The board felt they could

not issue a permit because the intended use would not conform to village building specifications.

A contract for weed cutting was issued to John Lloyd and Ken Van Patten, following the acceptance of their's, the lowest bid.

There will be two summer cuttings-one on June 12th and another on August 7th. Price has been listed at \$15.00 per hour for acreage and \$15.00 per lot. Bids for the contract to install curbing in the Village Parking Lot were held over until the next meeting for study by the Off Street Parking Committee.

Two firms, Benes Construction and Larson and Blackman, entered bids. Respectively, they were \$6,615 and \$6,940. A roadblock to approval, however was installed when Benes entered a second proposal that would feature one "monolithic pour". Price for this bid was listed as \$4,563.

Committee members will now study the feasibility of the last proposal and make their recommendations at the next scheduled meeting June 5th.

### PM & L WORKSHOP

There will be a general meeting and workshop for the PM & L members on Sunday, May 21st at 8:00 p.m. in the Theatre on Main St. The workshop will be on "Finian's Rainbow".

## Exchange Club Honors Reverend Messersmith

LAUREN MESSERSMITH

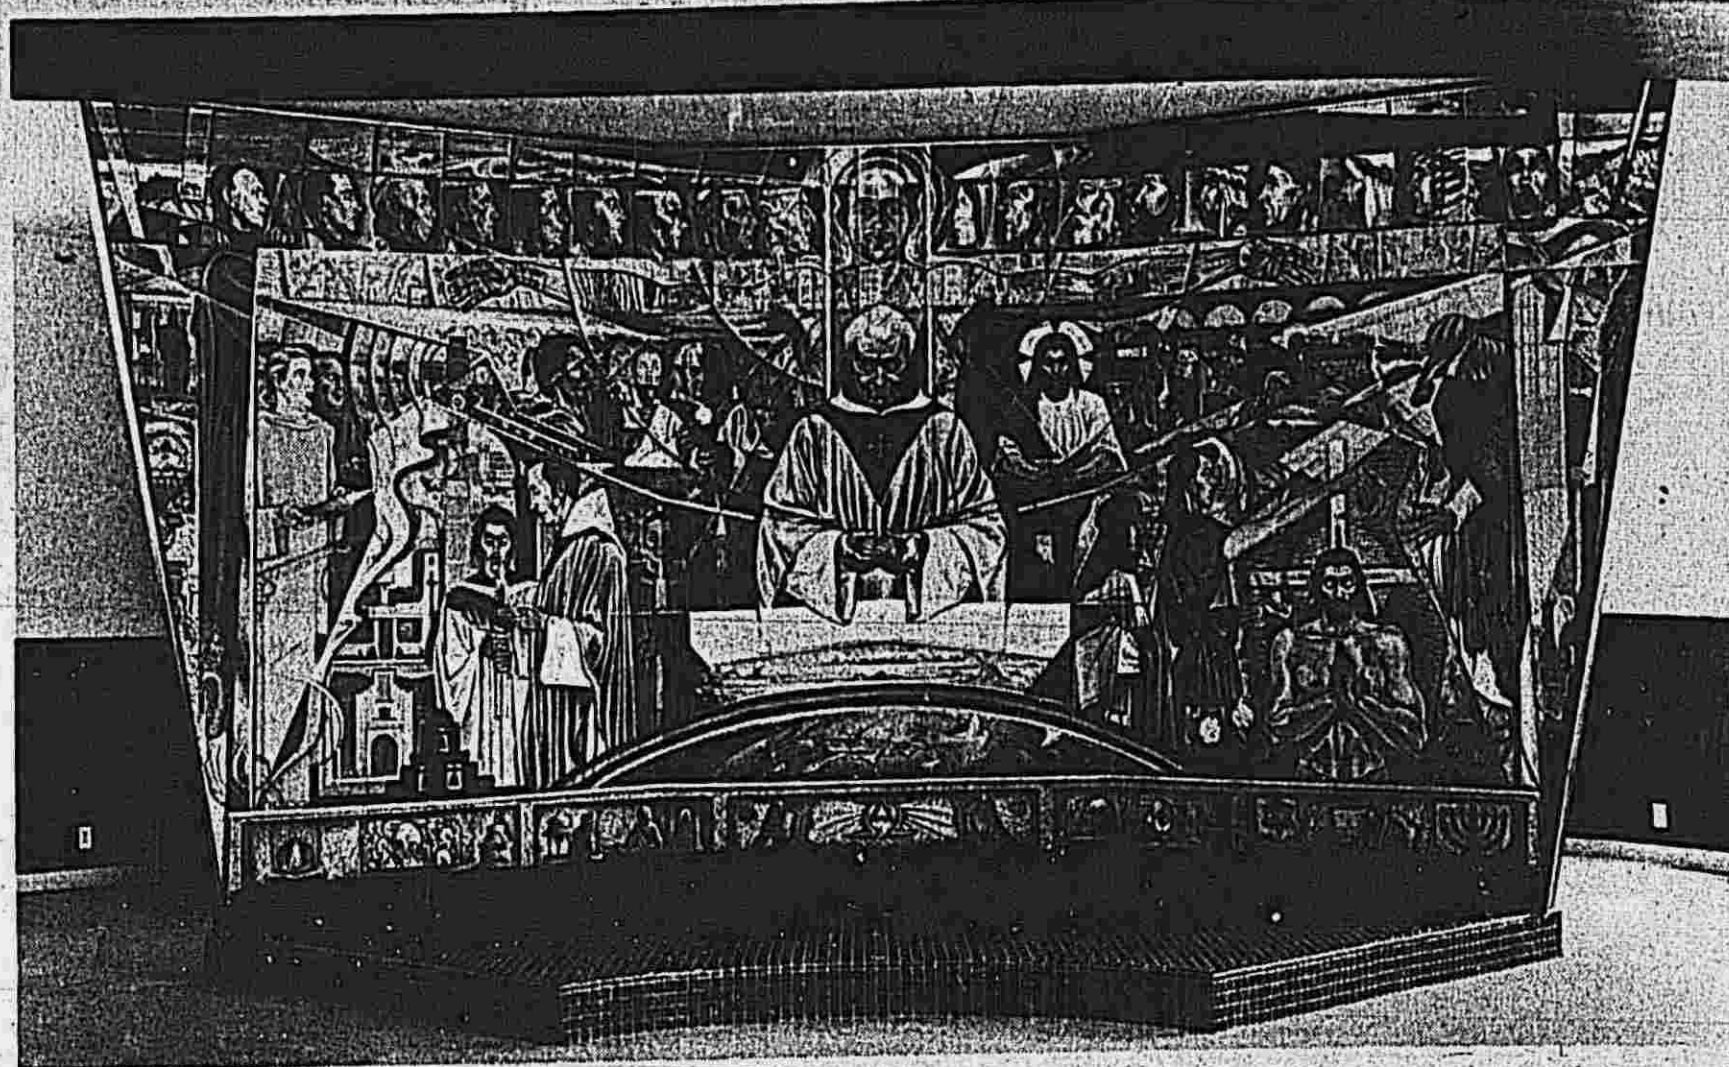

On Tuesday evening, May 30, in the Wildwood Presbyterian Church Fellowship Hall at 7 p.m. The Rev. Lauren H. Messersmith, pastor of the Millburn Congregational Church will receive from the Exchange Club of Grayslake, the First Annual "Book of Golden Deeds Award." This award is given each year to an outstanding person or group that exemplifies the Golden Rule, "Do to others as you would have them do to you." Pastor Messersmith is a good example of one who practices the Golden Rule daily. His life has touched the lives of many, many people in Lake County for the better.

He is probably the dean of Lake County pastors still in active full time service having

served 29 years in the same congregation. Lauren has helped multitudes of people through his preaching, teaching, counseling, pre-marital counseling, marriages, through administering the sacraments of baptism and communion, and through funerals. He is a member of the Waukegan Area Council of Churches, West Lake County Ministerial Association, and he serves as unofficial chaplain in Victory Memorial Hospital where he visits patients nearly every day. Before entering the Gospel Ministry he taught grade and high school for twelve years, and then served five years a County Superintendent of Schools in Frontier County, Nebraska.

For service to the community he serves as parliamentarian for the Woodland School PTA. Although he has no children he is very interested in the students, especially the ones at Woodland School, where his wife has taught first grade for many years. He is a member of the Rotary Club of Waukegan and the Masonic Lodge, Millburn.

The Award Dinner is open to the public. Tickets may be obtained through the Rev. David Baumann, pastor of the Wildwood Presbyterian Church, and chairman of the Book of Golden Deeds Committee or Grayslake Exchange Club Members.

## Living Faith Portrayed

St. Benedict's Abbey at Benet Lake, Wisconsin contains many architectural as well as spiritual points of interest. However, none of them are as significant and so thoroughly religiously oriented as the mural that is contained in the Abbey's retreat quarters.

The mural is a panoramic view of Christianity from the Old to the New Testament. It has as its central theme the act of sacrifice.

It was created by the noted American painter Edward O'Brien, who is considered a master in mural painting. O'Brien spent more than two years on the work. Pausing only to meditate and retain his

perspective, the painter laboriously used charcoal to sketch his rough images and then began, section by section, to create what is thought to be one of his finest works.

The artist used the full scope of available colors to make the mural more than just a painting and to bring out the life and vibrance of his work.

While his creation required two years of almost constant work, he spent much time prior to beginning, in research.

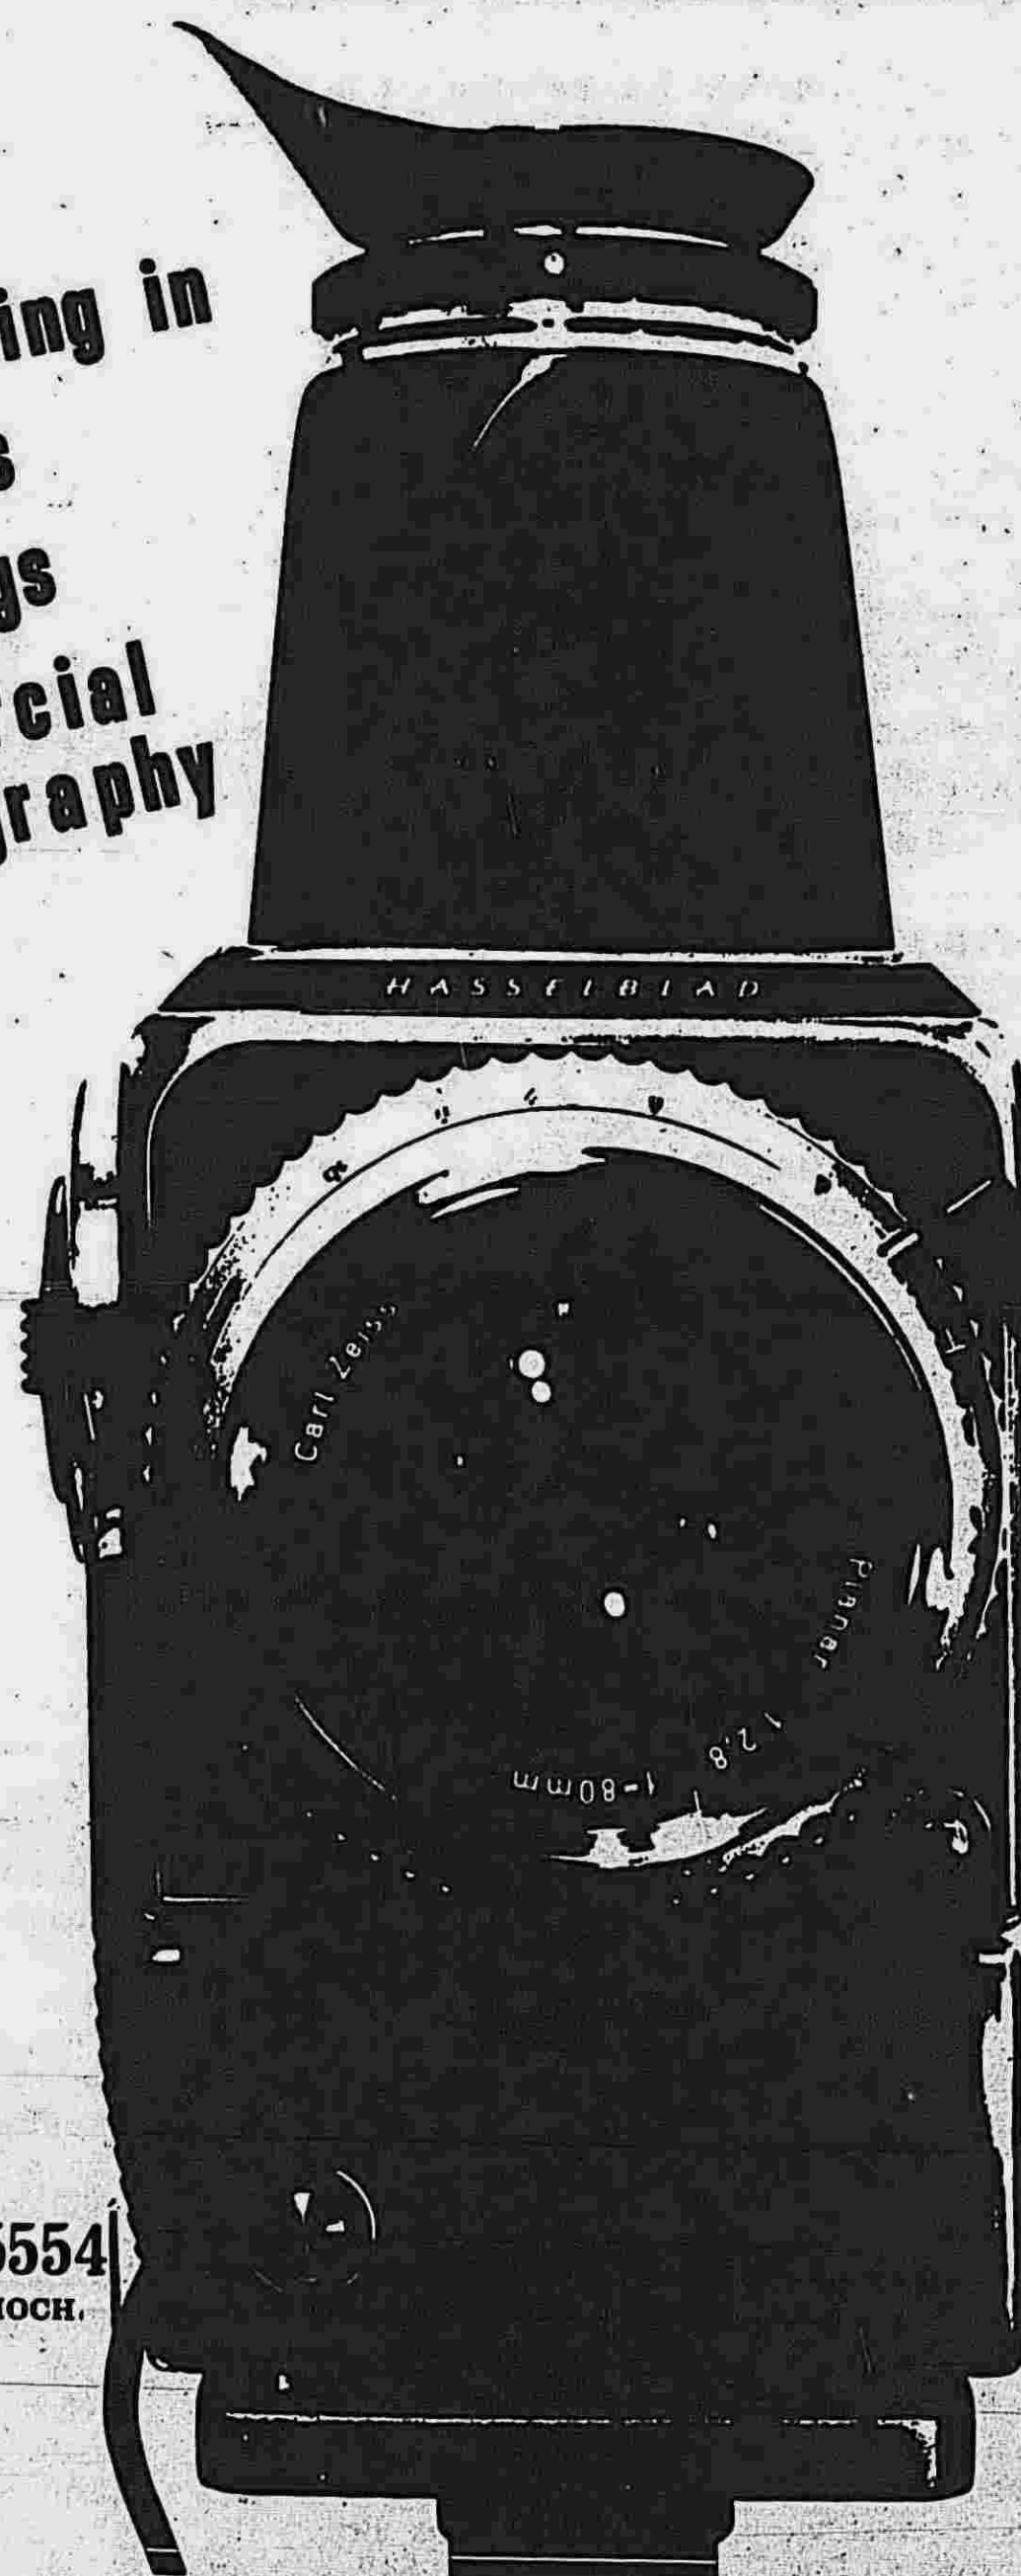

The mural is uniquely balanced between the old and the contemporary, using biblical as well as modern day examples. In fact, the figures which appear in the work,

from Moses to Saint Benedict himself, were all modeled by members of the community living at the Abbey.

The work unravels the mystery of faith using the examples of monastic life and historical events. Each section is interrelated with the total painting and unlocks a door to the story the mural depicts.

The Abbey, while a Roman Catholic community is open to the public. Words and pictures are only poor attempts to convey the message the mural offers. For the chance to gain insight into your religious convictions or if only to admire a fine work of art, a journey to the Abbey will prove well spent.

## Remember When?

Remember when? We don't, but maybe some of you do. It is Antioch or the people from Antioch. For the next few weeks we will publish a photo from a time long past in hopes for some it might spark a fond memory.

If you should happen to know when and where, let us know! We are sure many would be interested. Also if any of you have a very interesting "remember when" photo of Antioch and would like to share a memory or two with others, we will try to print it for you.

## Key Village Offices Filled

Antioch Mayor Ray Toft made several key appointments to village posts at the village's regular monthly meeting, held Monday, May 15th.

The appointments were: Mrs. Marilyn Sterbenz, Village Collector; Mrs. Marie Delaney, Village Treasurer; the law firm of Jacobs and Clark as Village Attorney; Charles "Tod" Mapletorpe, Village Fire Chief; Walter Delaney, Village Inspector of Building, Plumbing and Heating; Dr. J. W. Kopriva, Village Health Officer; Mr. E. Frasier, Village Civil Defense Director. All will serve one year terms.

The positions of Village Superintendent of Public Works and Superintendent of Sewers and Water are under consideration and will be

named at the next board meeting.

Just prior to going into executive session, the board witnessed the swearing in of new Police Chief Jack Wells. Wells will assume his office on June 1st.

In a related function, the Mayor named Richard Burnette to a five year term to the Village Zoning Board of Appeals and also named Dale Frasch to the Village Plan Commission to fill the vacancy created by the resignation of LaVerne Woods.

The Village Board withheld naming members to the Housing and Safety Commissions until the next regularly scheduled meeting to be held June 5th.

## Dr. Bucar Appointed To AOA Committee

Optometrist, Dr. Albert A. Bucar, has been appointed a member of a special Sergeants at Arms Committee of the American Optometric Association by the 17,200 member organization's president, Dr. Richard L. Hopping of Dayton, Ohio.

The five-member committee will serve while the national association's policy making body, the AOA House of Delegates, is in session, June 17-21, in St. Louis, Mo., during the organization's 75th anniversary congress.

Dr. Bucar, 542 Winsor Drive, is chairman of the association's Committee on Public Health and Optometric Care and a past president of the Illinois Optometric Association.

## Along the Way with

## Annie Mae

How many Mothers had breakfast in bed Sunday? We mothers are really very fortunate to have such fine and loving families.

We have several get well wishes this week--EARL PITTMAN will be in Victory Hospital for some time and could use a note or card to help pass the time of day and let him know he is not forgotten.

Others on the Get Well list are SHIRLY GUTOWSKI who is just home from the hospital. And to PAT HUCKER, LEON NISSEN and CHUCK KENYON.

It's nice to see all the bicyclers out - this weekend there were - tricycles - bicycles of all sizes - a bicycle built for two - and the very special three wheel - Good for the "old leg" muscles!

The loyal citizens of Oakwood Knolls, especially in the 200 block area of Bridgewood Drive have reasons for all the celebrating that has been done this past week. They finally have gotten rid of the two rats that have been plaguing their area for such a long time. Let us in on the name of the exterminator folks, they did a real good thing when they rid the area of them.

MRS. DE VRIES is happily "up to here" with flowers - along with Mother's Day flowers - she won flowers at the Mother-Daughter Banquet - at the Methodist Church - bringing - four daughters and one granddaughter - And then had the luck to win a centerpiece at another gathering in Channel Lake - She does the flowers justice with her ready smile!

Congratulations to all of the Fine Arts Students who received Awards at the Annual Awards Night on Saturday. Top honors went to MARIANNE PLEVIAK, PHIL MARTINEZ, GARY RUSH, and ELDA MINGER.

Happy Anniversary to CHUCK and PAULA BECKER on the 20th of May - and to BERNIE and LUCY GUNTY on the 22nd.

Birthday Wishes go to ARLENE CRAMER on the 4th - (What a way to celebrate Mother's Day) to POLLY BRUHN on the 18th.

The LITTLE LEAGUERS have been busy practicing every nice evening - their opening game is this Sunday. So let's all get out and cheer!

Hopefully this Sunday the LION'S CLUB will have nice weather for the "Pool Painting gathering" - Won't be long - the kids are already looking over the bathing suits.

See ya at the ball park  
Annie Mae

### GARDEN CLUB PLANS OUTING

## american legion auxiliary news

"POPPY DAYS ARE MAY 19th and 20th" states Mrs. John Chudzik, Lake Zurich, district poppy chairman of the 10th District American Legion Auxiliary. The poppy story cannot be told too often since it is a vitally important rehabilitation program for the hospitalized and handicapped veteran. The fabrication of the poppies provides valuable therapy as it alleviates the boredom and tediousness of long hospital stays. The money earned adds incentive to this poppy program.

All money realized after the veterans have been paid can go only into rehabilitation and children and youth service work with the needy veteran and his dependents. Any American Legion Post or Unit using these funds for any other purpose will lose their charter. Much of the money goes to service work for Downey Hospital patients or indigent veterans and their families in the community where it has been collected.

The little red Memorial poppies represent the scarlet poppies that covered the graves of the brave men who perished in World War I. This poem best exemplifies the feelings of many patriotic persons.

"THE MILITARY CEMETERY" "White crosses guard the velvet green in silent symmetry, The poppies grow; the crimson blooms all nodding quietly. It's peaceful here - the battle sounds belong to yesterday, The dreams and hopes of many lives have faded far away".

"Can we look back - in time and space, and say that we forgot? The crosses, white - the poppies red - They say that we cannot. Too many lives were given here. Too many men have died. And still the silent crosses stand - like sentries side by side".

"The poppies, too, remind us of the great price that was paid. May the poppy blooms stay bright and clear, And our memories never fade". By Elinor Bachler

"Above all" concludes Mrs. Chudzik, "We wear the poppy over our hearts in dignity and reverence, to show that we remember with heartfelt gratitude those who died that free America might live".

Volunteers selling poppies will be on the streets of Antioch May 19th and 20th, according to poppy chairmen, Al Fronck and Mrs. Ray Rathmann. "We ask the public to be generous".

Two important affairs for the 10th District American Legion Auxiliary members will take place on May 21st. The 10th District American Legion and the Auxiliary will be co-sponsoring their annual picnic for some 150 children from the Arden Shore Home, the Allendale School for Boys and the Lake Villa Central Baptist Children's Home; at the Lake Region's American Legion Home in Fox Lake, from 11:00 a.m. to 3:30 p.m. Co-chairmen John Jones of North Chicago and Mrs. Louis Thompson of Waukegan; announce that outdoor-grilled hot dogs and hamburgers will be the mainstay of the picnic menu; with games, contests, prizes and boat rides on the day's agenda for these children. Participating in this picnic will be Mrs. William Downden of Antioch, their children and

youth chairman.

At 4:00 p.m., May 21st, the 10th District Auxiliary's Illini Girls' Tea will be held at the Gurnee American Legion Home, with Mrs. Barbara Klemm, Gurnee, as chairman. All girl States, their mothers, Girls' State Chairmen, Unit Presidents and the 10th District Auxiliary officers are invited guests. This Tea gives the girl states an opportunity to become acquainted, and to learn more about this program.

Illini Girls' State is a week long program on good citizenship where 550 girls from throughout the state learn all phases of governmental procedures through the local, county and state levels by practical application. The girls study the duties of the various officials, campaign for office and hold elections. Girls' State will be held from June 15th through June 22nd, at MacMurray College Campus in Jacksonville, Illinois.

## Senior Citizens To Hear McClory

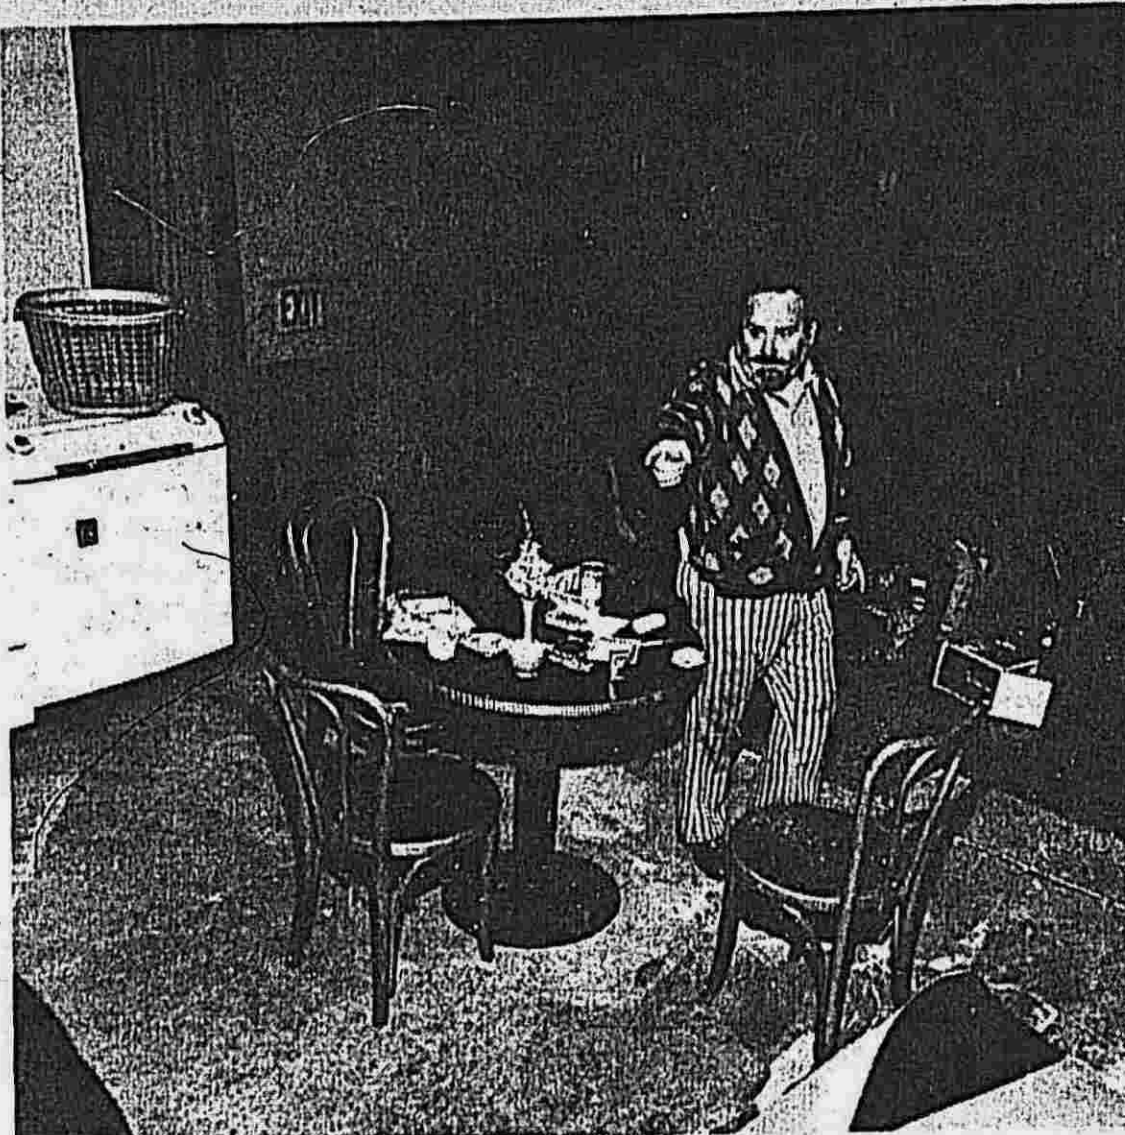

Antioch Area Chapter of AARP, No. 387 will have a meeting on May 23rd in cooperation with the government's program declaring the month of May as "Senior Citizen's Month" in respect to the elderly citizens in the United States.

Congressman Robert McClory, speaker for the Antioch Chapter, will enlighten the Antioch Group on the legislation passed into laws effecting the elderly persons in the United States.

The bus trip to China Town booked for Wednesday May 24th is filled and it may be necessary to get a second bus as there are 10 people signed up over bus capacity. We need about 25 more riders. The trip is a bargain for those wishing to go along - Noon day meal and a tour with a guide and visits to all the shops - \$3.50. The bus will be ready for loading at 9:45, at the municipal parking area, leaving at 10:00 a.m.

The big meeting of the year will take place on June 13th when the election of officers will be held. If everyone on the registration lists shows up, it may take some time for voting.

The last meeting for the first half of the year will take place on Tuesday, June 27th with a picnic being held at the Van Patten Woods east on Route 173, just past the river bridge, north side of the road. There will be no meetings during July and August.

Pictured is Tony Aird from Round-Lake Beach who is one of the three villains in the PM&L mystery drama "Wait Until Dark". This weekend May 19 and 20 is the last weekend of the production. For reservations please call 395 - 9702. (staff photo)

Community High School students, played against each other on May 12th, at the Milwaukee Park Rink in the Wilson Recreation Center. It was an exciting game between the "REd Devils" and the "St. Peter's Teams. Mike Wilson, Vic Behning, Eric Knuteson, Jim Hession, Ed Granala, Joe Bicek, Keith and Lance Berg, Bruce Tossey, Brian and Judd Smith represented the "Red Devils" with Conrad Knuteson as referee. "St. Peter's" Team had Chris St. Pierre, Jeff January, Jim Alm, Bob Bach, Jim January, Dennis Thain and Jeff Smith "fighting the good fight" and winning the game 6 to 5. Both hockey teams have already played some twenty games, mostly against teams from other high schools. It has proved so popular a pastime that the boys plan on playing hockey all through the summer. When they were asked how they had scored these winter months, the reply was 50/50! NOT A BAD RECORD FOR BEGINNER TEAMS! GOOD LUCK, FELLOWS!

Six of our fine cooks from the Antioch area grade schools, had a wonderful evening in Chicago. Seeing the miscale, "Showboat" on May 4th, were Mrs. Leona Eppers, Mrs. Marge Murphy, Mrs. Ray Rathmann,

Mrs. Ida Wysoglad, Mrs. Marge Kreiger and Mrs. Knute Lassen.

## Women Of The Moose Welcome 9 New Members

The Women of the Moose welcomed nine new members into the Academy of Friendship on Thursday, May

4. The new members were Barbara O'Higgins, Dorothy Laursen, Rosemary Smith, Karen Bartuska, Jane Kish, Dorothy Tralewski, Irene Clark, Jackie Schmidt and Pat Serva.

The chapter also enrolled five candidates for membership. They were Georgia Sutherland sponsored by Cheryl Wise, Nancy Graham sponsored by Gladys Schroeder, Lee Elia sponsored by Karen Bartuska, Linda Winters sponsored by Norma Lowe, and Luella Coon sponsored by Shirley Rentsch.

After enrollment, the slate of officers for the coming year was read. Voting for these officers will take place at the next business meeting. Members can vote between 7:00 and 8:00 P.M. on Thursday, May 18.

## Moose Enrollment Sunday May 21

The new officers held their first regular meeting Wednesday, May 10, 1972 at exactly 8:00 P.M. There were 20 members present. Brother Leonard Kohl won the small room drawing and Brother Charlie Holmes lost the large drawing because he was not present. You never know when your name will be drawn so come to the meetings and maybe you will be lucky.

There was only one reported birthday this week and that was Mrs. George (Millie) Frasier on May 14, 1972. Happy Birthday.

There will be an enrollment Sunday, May 21, 1972 at 2:00 P.M. All members and sponsors with eligible candidates are welcome to attend.

Two of our Brothers are ill at this time. Brother Chuck Kenyon is recovering at home after his stay at Victory Memorial Hospital, and Brother Leon Nissen is in Condel Memorial Hospital.

Saturday, May 13th 33 members and guests scattered through White Sox Park to cheer them to a 9 to 3 victory over the Baltimore Orioles. Everyone enjoyed the trip, our next trip will be to Cubs Park and is scheduled for June 24th.

Tickets for this game will be on sale at the lodge.

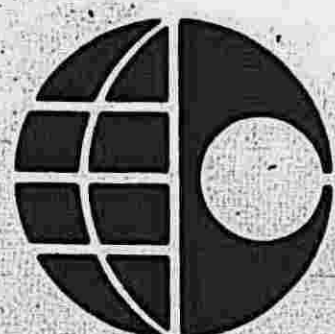

Our annual picnic is scheduled for July 30, 1972 with a rain date of August 6, 1972. Further plans are in the making at this time.

The Antioch Legion of the Moose will hold their annual dinner, Saturday, May 20, 1972 at the Iron Kettle in Wilmot, Wisconsin. Any Legionnaire who has not already made reservations may call be fore the above date and we will make the necessary arrangements.

Every Friday we have a fish fry from 6:00 to 9:00 for members and guests. The cooking is done by volunteer L.O.O.M. members.

Antioch Moose has started a motorcycle club. Applications for membership may be picked up at the lodge or call Charlie Schremser, chairman at 395-4425. Activities are now being planned.

**AVOIDING COMMON ERRORS IN COMPOSITION...**  
The Rule of 1, 2, 3. Using three main areas created by

horizontal lines as in the simplified landscapes below, we can arrange these areas in varying sizes so as to create more visual interest.

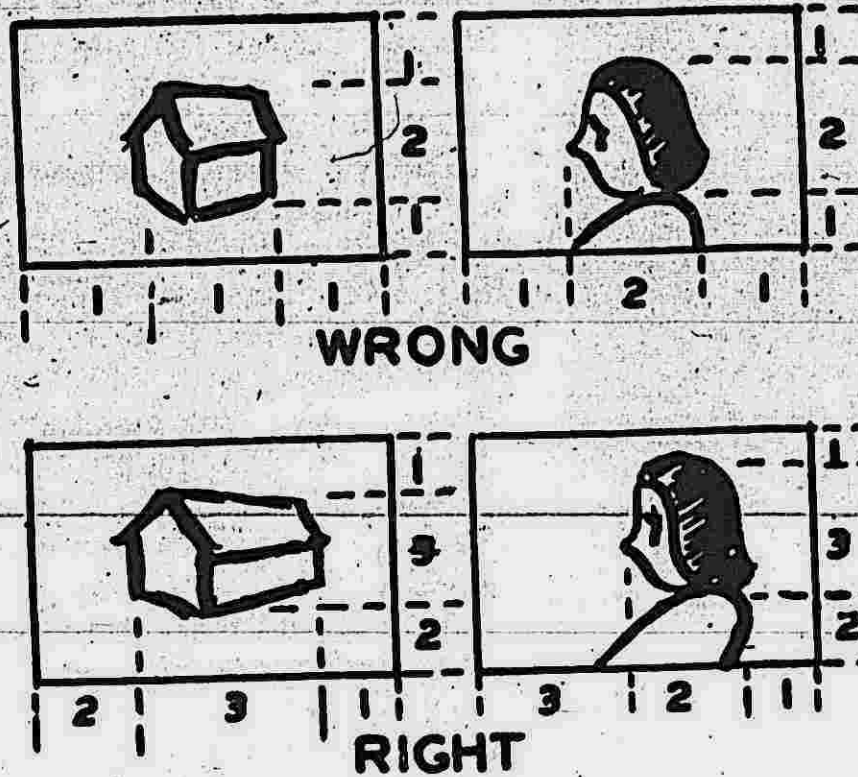

The same is true of vertical divisions.

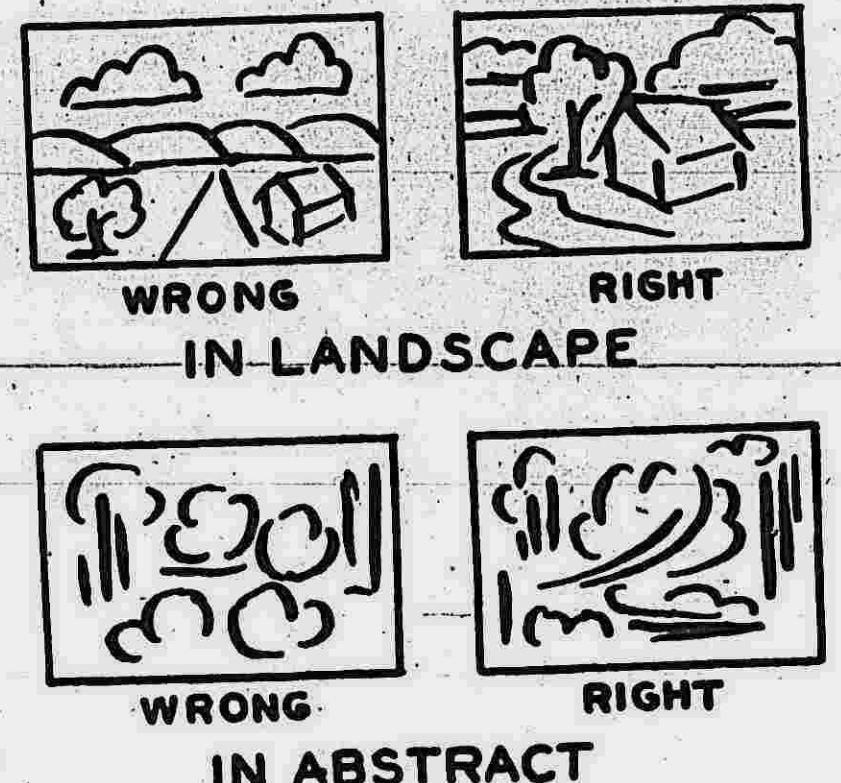

Putting the dominant shape in the exact center of the picture also creates even areas, as the dotted lines indicate in

the examples below. The dominant shape should be placed slightly off center so as to create varied spacing.

Notice in the portrait example above, the face is turned to be looking into the larger space. This is always the better answer to this problem.

Avoid also, scattered, even masses.

Happy Composing.

### LAKE COUNTY SALON NO 191 ILLINOIS EIGHT AND FORTY

Mrs. Norman Holt, LeChapeau (President) and Mrs. John Schultz, children and youth chairman, both of North Chicago, presenting a child's table and chairs set on behalf of Lake County Salon No. 191, Eight and Forty; to Mrs. George Robarre, Director of Social Services; and Dominick Cullin, Administrator of Lake County Tuberculosis Sanatorium. Mrs. Holt also gave the TB Sanatorium a check for \$75.00 from the Illinois Eight and Forty. The "8 & 40" is an honor subsidiary of the American Legion Auxiliary.

At the May 3rd meeting of the Lake County Salon No 191, Illinois Eight and Forty, held at the Lake Regions' American Legion Home in Fox Lake; Mrs. Norman Holt, North Chicago, Le Chapeau, was the presiding officer. The meeting was lengthy as there was a good deal of business transacted.

Mrs. John Schultz, North Chicago, children and youth chairman, related that Mrs. Holt and she had recently presented a children's table and chairs set to the Lake County Tuberculosis Sanatorium, on behalf of the past chapeaux of the Salon. (see picture) (Mrs. John L. Horan and Mrs. Edward Jahneke of Antioch

are past chapeaux.)

Reports were given by Mrs. Frank Waggett, Highland Park; Mrs. William O'Neill, Lake Forest; Mrs. Fred Schultz, North Chicago; and Mrs. Holt regarding the state Spring Pouvoir, held at the Hotel Wolford in Danville, Illinois, in mid-April.

Another \$1,000.00 bed was dedicated at the National Jewish Hospital (NJH) in Denver, Colorado, the only hospital in the nation that specializes in children's respiratory diseases.

Mrs. Holt has been honored by two appointments - she will be a member of the state credentials committee at the Departmental Marche (state

convention) this July; and she will be a Departmental L'Aide (State Assistant Sergeant-at-Arms) for 1972-73.

Nominations were made for the Salon officers for the ensuing year. Election will take place at the June meeting. The nominative slate is as follows: Le Chapeau, Mrs. Ray Suzzi of Highwood; Le Demi Chapeau Premiere, Mrs. John Schultz; Le Demi Chapeau Deuxieme, Mrs. Henry Reinke of Waukegan (a former long time Antioch resident); L'Archiviste, Mrs. Ted Odom, Libertyville; L'Aumonier, Mrs. Barbara Klemm, Gurnee; and Le Concierge, Mrs. Ray Rathmann, Antioch.

Delegates and alternates were elected to the Departmental Marche. Mrs. Holt, Mrs. Suzzi, Mrs. John Schultz and Mrs. Fred Schultz are delegates; with Mrs. Ted Odom, Mrs. Philip Strand, Libertyville; Mrs. Philip Cole, Highland Pk; and Mrs. Stanley Degner of Mundelein serving as alternates.

Departmental Chapeau (State President) Mrs. James Menendez, East St. Louis, will be the guest of honor at the June 7th dinner meeting. More information will be forthcoming at a later date.

A "White Elephant Auction Sale" was held after the meeting with Mrs. Thomas Kinney, Lake Forest, as "auctioneer", assisted by Mrs. Everett Ainsworth, Lake Forest; and Mrs. Chester Schwerman of Libertyville, ways and means chairman.

Refreshments were served by the Fox Lake members; Mrs. J. L. Horan, Mrs. Ed Jahneke and Mrs. R. Rathmann of Antioch.

### MOTHERS OF TWINS MEET

The Lake County Mother of Twins Club will meet this month on May 17th at 8:00 p.m. at the Waukegan Elks Club.

On May 30th at 8:30 p.m. there will be a tea to introduce other mother of twins to the purpose and to the social aspects of the club. It will be an informal get together, with the hope of exchanging many good ideas on the rearing of twins. We are hoping for a large turn out so please call your R.S.V.P. to either of the following numbers: 945-9194 or 662-0215.

### LIFE UNDERWRITERS TO MEET MAY 19TH

The Lake County Life Underwriters' monthly luncheon meeting will be held Friday afternoon, May 19, 1972, at the Holiday Inn West, Grand Avenue, Gurnee, Illinois.

The featured speaker for the May meeting will be Gordon S. Pett, C.L.U., Advanced Underwriting Advisor for the Chicago-North Region of the Metropolitan Life Insurance Company. Mr. Pett's talk will be entitled, "Flow of the Corporate Dollar."

Mr. Pett, who has been with Metropolitan for twelve years, started in the Highland Park office, and was Staff Manager

there for four years before assuming his new management position. He earned his C.L.U. in 1970 and is presently teaching C.L.U. at the College of Lake County.

Gordon is a Past President of the Lake County Life Underwriters and lives at 512 Radcliff Avenue in Deerfield with his wife and their three children.

He has recently assumed the direction of a new Speakers Bureau for the Lake County Life Underwriters.

A report on Medic Alert Month in Lake County will be given at the May meeting by Co-Chairmen Charles Coburn of Deerfield and Ray H. Daugherty of Waukegan. They will tell the members of the Life Underwriters of the great success of the Medic Alert public service project sponsored by the Lake County Life Underwriters.

Martin K. Simonian of

Waukegan, President of the Lake County Life Underwriters, announced at a recent Board meeting that James Walsh, C.L.U., of Antioch, Illinois and Manager of the Metropolitan Life Insurance office in Waukegan, and T. Ted Vella, of Deerfield and Manager of the Metropolitan Life Insurance office in Highland Park, will represent the local Life Underwriters at the state convention of Life Underwriters in Springfield on May 18 and 19.

### Royal Neighbors Meet

The Royal Neighbors Olson Camp 459 met at the American Legion Hall on May 9, 1972.

Bea Milz marched in with the American Flag and all said The Pledge of Allegiance.

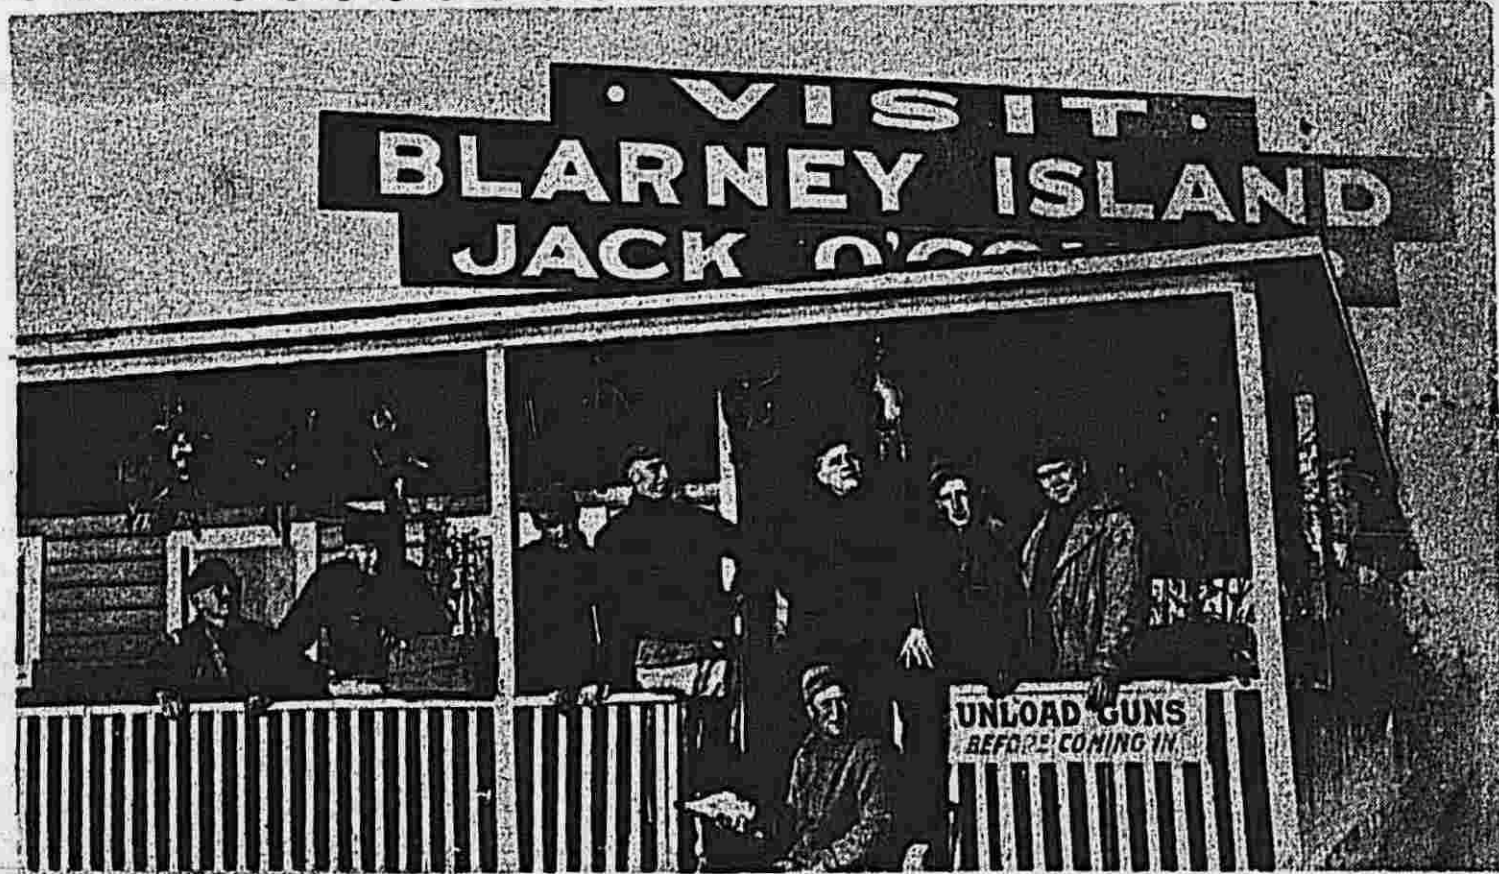

Secret Pals exchanged their gifts, after which the BIRTHDAY GIRLS lined up and everyone sang, "Happy Birthday" to the following: GLADYS WILTON, ALICE LASSEN, LILLIAN HAND, FRIEDA WERTZ, and NANCY THAYER.

Congratulations were also extended to LOVELY VAL GELDEN on her 35TH WEDDING ANNIVERSARY.

Hostesses for the evening were: EVA FIELDS, IDA KUFALK and EMILY NOVOTNY.

Delicious goodies were served after which all members played cards.

The Camp's rummage sale was on the agenda.

# Fine Arts Honors Night

On Saturday night, May 13, the Antioch High School Fine Arts Department held its annual honors night.

Performing during the evening were the freshman girls chorus, the All School Choir, the A-Capella Choir, and the Swing Choir, the Concert Band and the Wind-Ensemble. The Drama Class put on a series of "Peanuts" skits and a "4 Year Playback" of the drama experiences, and the Art Department had an art display on hand.

Following the performance of each department, awards were given out. The students begin accumulating points when they enter as a freshman. The points are based on performing in different occasions, by entering contests, by learning certain fundamentals, and by going to camp.

Certificate awards are given for 400 points; silver pins and certificate awards are for 600 points and 800 or over receive a gold pin. Gold Medal award winners for Choir were: Cheri Dalgaard, Sue Hoffkamp, Jenny Hotchkiss, Diana

Larson, Eileen McDonald, Cathy Moore, Richard Olson, Marianne Pleviak, Shari Prange, Dave Donica, Barbara Bushnell and Patty Mohar. A special piano accompaniment award was given to Marianne Pleviak. The top award in Choir is the Arion Award. This is voted on by the students themselves for the best senior musician in Choir. Marianne Pleviak received this top honor also. Her name will be plated on a permanent plaque in the school.

Members of the band who won the Gold Medal were; Lee Bolton, Cheryl Golonka, Andy Haber, Mike Ozga, Gary Rush, Bill Severson and Rick Weiss. A special award was given to Phil Martinez who was given the Chicagoland Jazz Festival All Star Band Award.

As with choir, there is a top musicianship award, voted on by the students and is called the John Phillip Sousa Award. This too is on a permanent plaque in the school. Gary Rush took this honor from the band. A Distinguished Musician's Certificate was also presented to Gary Rush by the United States Marines Youth Foundation in recognition of Diligence, dedication and musical excellence.

Gold Medal awards in the Art Department were given to Shari Prange, Patrick Runyard and Ann Vaughn.

In Drama, the gold medal award winners were; Mike Ament, Tom Craner, Jean Oelerich, Shari Prange and Betty Waters. The best actress award was deservedly given to Elda Minger who had been involved one way or another in every production her four years in school. Tracy Teltz was given a special piano accompaniment "thank you" for her work and "patience" working with the musicals.

Not to be out-done - Mr. Brook received a nice new soft directors chair, Mr. Gustafson was given a radio and Mr. Smouse received a statue of Don Quixote.

The large crowd in the audience helped to make it a special night for all.

## Bristol Oaks Country Club

The combination of elegant dining and outdoor recreational facilities is one that many people would eagerly travel a great distance to enjoy. Fortunately, these and many other features are all available only a few minutes of driving time away.

The BRISTOL OAKS COUNTRY CLUB, located on Rte 50 in nearby Bristol, Wisconsin is a veritable bonanza. Dining facilities are graciously decorated and provide an excellent panoramic view of the course. The menu includes entrees of beef, fish and fowl. All are well-prepared and bountiful.

In addition to the regular menu, the Club is featuring daily specials. Each provides a welcome change of pace. Headliners of this group include a Friday fish fry and Prime Rib on Saturday.

The Club also provides a fine wedding and banquet facility. Rooms can accommodate groups from 25 to 500 in the same elegant manner as in the dining rooms.

Golfing at BRISTOL OAKS proves a real challenge over the 18 hole championship course. Gently rolling hills and scenic lakes and ponds test a player's skill along a dramatically laid-out 6000 yard course.

The club, which is open to the public, is currently hosting a GOLFERS WEEKDAY SPECIAL: 18 holes of championship golf, a sirloin steak dinner and use of a golf cart; all for \$19.95 for two players.

Following a strenuous round of golf or just for the pleasure of it, a stop at the CLUB'S cocktail lounge is a welcome treat. Generous sized beverages are served in a comfortable atmosphere, overlooking the lush green fairways.

For a challenging round of golf, a fine dining experience or just for the contagious excitement that a country club affords, BRISTOL OAKS is sure to provide the needed lift.

SWEET 'N LIGHT PARFAITS

**Crunch**

1 cup quick or old fashioned oats, uncooked 1/3 cup flaked coconut  
1/4 cup firmly packed brown sugar 1/4 cup butter or margarine, melted

**Filling**

4 cups sliced rhubarb (about 1-inch pieces) 1/2 cup sugar  
1 3oz pkg. strawberry gelatin 1/2 cup boiling water  
1 pt. strawberry ice cream

Heat oven to moderate (350 degrees). For crunch, combine oats, coconut, brown sugar and butter. Bake in shallow baking pan in preheated oven 10-12 minutes. Toss lightly with fork to crumble. Cool. Set aside.

For filling, combine rhubarb and sugar in large saucepan; cover and simmer, stirring occasionally until rhubarb is tender, about 5 minutes. Cool.

Dissolve gelatin in boiling water in medium sized bowl. Add ice cream; stir until ice cream is melted. Chill until mixture mounds when dropped from spoon. Fold in cooled rhubarb. Chill until firm.

To assemble parfaits, start with filling and alternate layers of filling and crunch in 6 chilled parfait glasses. Chill about 30 minutes. Top each parfait with a dollop of sweetened whipped cream and a fresh strawberry.

Serves 6.

## Helpful Hints

**A SIMPLE "HOME TREATMENT"** for pesty mites on fruit trees and ornamentals consists of adding 1/2 cup buttermilk and 4 cups of wheat flour to 5 gallons of water.

**HAVING A BRIDAL SHOWER?** Then shower the bride with recipes. Include a 3 x 5-inch recipe card with each invitation and ask each guest to write down her favorite recipe on it as a gift for the guest of honor. Frozen Fruit Cheese Salad makes a delicious dessert for a bridal shower and serves equally well as your favorite recipe for the new bride. Just blend 2 cups of sieved cottage cheese with 1 cup dairy sour cream, 3 tablespoons confectioners sugar and 1/4 teaspoon salt. Fold in 1 cup

drained pineapple tidbits; 1 cup diced orange sections; 1 cup blueberries; 1 large banana, sliced; 1/2 cup sliced maraschino cherries; and 1/2 cup chopped blanched almonds. Pour into two refrigerator trays and freeze until firm. At serving time, cut salad into squares and top each serving with Creamy Pink Dressing made by blending 2 tablespoons maraschino cherry juice with 1 cup dairy sour cream.

**KIDS LOVE PEANUT BUTTER** and so do many adults. For a nutritious after-school snack or after-work pick-me-up, try this delicious milk drink, Peanut-Butterscotch Smoothie. Just put 1 cup milk, one 3 1/4 ounce package of instant butterscotch pudding and pie filling and 1/4 cup peanut butter in a blender. Blend at high speed until smooth. Add 1 1/2 cups milk and blend. Chill and serve in tall frosty glasses.

## MRS. MEVES TO SPEAK AT AMERICAN INDEPENDENT CLUB

Mrs. Theodore F. Meves of Wisconsin will speak on "From Metro to the United Nations - the Road to Serfdom". Mrs. Meves was a missionary in Nigeria during the rape of Katanga by the United Nations troops. She is presently the State Coordinator of the Wisconsin Legislative and Research Committee. She has been a leader in opposing Metro government in Wisconsin and has helped promote legislation in the Wisconsin State Legislature to get Wisconsin out of the U.N. Most

recently, Mrs. Meves has been helping to recall Governor Lucey of Wisconsin.

The American Independent Club of Lake County will hold its regular monthly meeting at 8:00 P.M. on Saturday the 13th of May in the Community Room of the Lake County Savings & Loan, 202 Center St., in Grayslake.

Everyone is most cordially invited to come.

For further information call 872-7027.

## VFW AUXILIARY MEETS

A regular meeting of the Sequoit Auxiliary V.F.W. was held on May 8th. Ann Gialds was initiated into the organization. Other business was the participation in the Memorial Day Parade which will be held on May 29th at 10:00 a.m.

Two classroom flags will be presented to the Faith Evangelical Lutheran School. A donation to the Health and Happiness fund was made plus a donation to the Downey Hospital for canteen books.

Poppy Day will be May 26 and 27 and both Auxiliary and Post members will be selling poppies and the proceeds to go to assist all the veterans.

Birthday cake was served to celebrate Olive Hallwas's birthday.

The next meeting will be on June 12th.

## Matting School And Picture Framing

Artists and others interested in the correct matting and framing of pictures will have an opportunity to attend a school on this subject Thursday evening, May 25th according to Ray T. Nicholas and Helen Volk, Lake County Senior Extension Advisers.

The lecture and demonstration will be held in the Farm Bureau Building Auditorium on the Lake County Fair Grounds starting at 7:30 p.m. The program will be given by Mr. Barger of the Art Department, University of Illinois, Champaign.

This school, which is sponsored by the Lake County Cooperative Extension Service in cooperation with the University of Illinois, is open to all interested parties without regard to race, color, or national origin.

## Spring Concerts Begin

The 1972 Spring series of Lakeside Promenade Concerts begins at 3:30 p.m. Sunday, May 21, at the south terrace of the Museum of Science and Industry, 57th St. and the Outer Drive, announced Daniel J. Shannon, president of the Chicago Park District. Admission is free.

For the 11th consecutive season, Dieter Kober will conduct the Chicago Chamber Orchestra in music ideally suited for outdoor listening. The picturesque lagoon, spacious picnic areas and fine programming enhance the pleasure of attending these concerts, making them ideal for Sunday afternoon with the family.

The concerts will continue each Sunday through June 11. In the event of rain, the concerts are held in the museum's air-conditioned auditorium.

## HOW DOES

### S.P.R.E.D. WORK?

The aim of SPRED is to create a Christian atmosphere for the mentally handicapped, and in this way, bring them closer to the awareness of our Heavenly Father. Adult catechists meet a few days prior to each catechetical session to build among themselves a Christian Community - a sense of trust and understanding.

This in turn, is carried into the catechetical sessions. Each session begins with a normalization period during which both catechists and the retarded work at activities designed to calm by working off excess energy or disquieting feelings.

The group then prepares for the Catechetical Message by joining together in a "silence game". From the silence game, all proceed to the Sacred Room where the Word of God is spoken, in a simple form, to all.

This program is open to the retarded of all faiths. After sharing the Word of God, refreshments and friendly conversation are shared during a short party time.

In our next article, we will discuss the age groups and available SPRED Centers.

If you have any questions or interest at this point, feel free to call Marion Pechousek, 395-1465, Pat Stagg, 356-7910 or Nancy Benton, 546-1155.

## Christian Science Churches

In the Bible in Matthew 4 we read "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people."

In the Lesson-Sermon entitled "Soul and Body" this Sunday at First Church of Christ, Scientist the first reader, Mrs. Evelyn Greer reads from Science and Health with Key to the Scriptures by Mary Baker Eddy, this commentary: "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

Everyone is invited to attend the services at BEACON HILL, Rte 173 and Harden, Antioch, Illinois at 11 A.M.

THE ANTIOCH NEWS

### RALPH R. FICK

former head of music department at the South Eastern Bible College, Lakeland, Florida, is interested in teaching Piano in Antioch. Anyone interested in improvising, arranging or writing music will find this instruction invaluable.

Hymns or any other music can be used as a basis. Bring any theory books you may have. Instead of merely reading notes, learn how music is constructed. Church musicians, especially, can be benefitted. For more information and appointment, call 872-2771. Will accept any level student.

## SEQUOIT SMOKE Signals

STUDENT COUNCIL WEEK turned out pretty good. There sure were a lot of very imaginative slogans used on the posters!! and a lot of work put into the campaigns. These were the results: (1) Student Council officers; GLEN AMUNDSEN, President; TIM O'NEILL, Vice President; CAROL WELLS, Secretary; and THETA ARMSTRONG, Treasurer. (2) Senior Class Officers: MIKE HARVEY, President; NORA PLEVIK, Vice President; KAREN BODIN, Secretary; WENDY STOUT, treasurer; Student Council Reps, TAFY ENGLEHART, FRANK NEVITT, CINDY SKRYZNECKI, and DENNIS DEBOER. (3) Junior Class Officers: STEVE ALBRIGHT, President; LOIS GEIST, Vice President; LAURA KESSLER, secretary; KATHY MAHONEY, treasurer; and Student Council Reps, FRANK COLETTE, BILL BEESE, MARCIA DOOLITTLE, and VIC MCGUIRE. (4) Sophomore Class Officers: MIKE PERRONE, President; JULIE ELLIS, Vice President; CAROL ZEMAN, Secretary; MIKE JONES, treasurer; and Student Council Reps, CINDY FRANCKE, WENDALL BURRIS, FAITH OLSEN, and GARY THOMPSON.

Let's hope they all work hard for the school next year.

Saturday night was the AWARDS NIGHT for the Fine Arts Department. Each department, choir, band, drama and art put on a little program and then presented their awards. MARIANNE PLEVIK received the special Arion Award for service to the choir, PHIL MARTINEZ and GARY RUSH got special awards for band, and ELDA MINGER and TRACY TELTZ received special awards for drama. Congratulations!!!

A.F.S. is sponsoring a PENNY DAY to help raise money for the foreign exchange program. They would like everyone in school to donate one cent for every year they've lived. Please help them because they need the money to keep the organization alive.

The weekend of May 20 has

been designated as G.A.A. weekend. The officers and All-Stars will be spending it at Miss Arendt's cabin in Wisconsin. Sounds like fun! See ya next week,

Barb

## Channel Lake Chatter

Pat Hucker is a patient in Victory Memorial Hospital recuperating from surgery. I'm sure she would enjoy receiving cards from her friends and neighbors as nothing cheers more than receiving mail while confined to a hospital room.

While in the hospital, Pat's family is being cared for by her in-laws Ted and Marie Hucker. The Huckers are former Channel Lake residents, who now make their home in Arkansas. They will be here for a few weeks visiting family and friends.

A horse show held at Little Orchard Farm on Highway 173 was very well attended last Sunday, despite the inclement weather. Among our local children competing were Debbie and Dawn Behrens and Kathy, Freddie and Paul Chase. Freddie Chase came home from the event with a souvenir he could have done without. He received three stitches in his head when he was hit by a flying rock.

Dawn Behrens got a sixth place ribbon in the Pee Wee competition which was really great considering she was on a horse for the first time.

The Channel Lake PTA held its last meeting on Monday evening, May 8th in the school gym. The newly elected officers were installed for the coming year. The officers are President, Mrs. Shelby Weiss, Vice President, Mrs. Lorraine Lemke, Secretary, Mrs. Sue Givens and Treasurer, Mrs. Mary Lou Miles.

The Antioch Upper Grade School parent-teacher club "APT" will hold its final meeting on Monday, May 22nd in the school cafeteria. On the agenda will be the election of officers. The meeting will begin at 7:45 p.m. and all parents are urged to attend.

Let me know the news.

### DOUGHNUT DAY - JUNE 9

Mrs. Henry D. Paschen of 1255 North State Street in Chicago will serve as General Chairman of The Salvation Army's Doughnut Day, Friday, June 9. Mrs. Paschen has headed the Doughnut Day effort since its inception 34 years ago.

Working to achieve the 1972 Doughnut Day goal of \$195,000 will be approximately 9,000 volunteer women who will be assuming their positions as taggers on major street corners throughout Chicago and in more than 135 suburban communities in the surrounding seven-county area. The funds will benefit the anticipated 200,000 men, women and children who will be helped during 1972 through the social welfare services provided by The Salvation Army.

Doughnut Day is one of five official tag days approved by the City Council of Chicago. Official approval has also been extended to the Doughnut Day activities in the 135 surrounding communities.

Through the 46 institutions, departments and neighborhood centers of The Salvation Army, a multitude of services are provided to people in need.

## Congressman Mc Clory To Be Honored

### BY SMALL BUSINESS ASSOCIATION

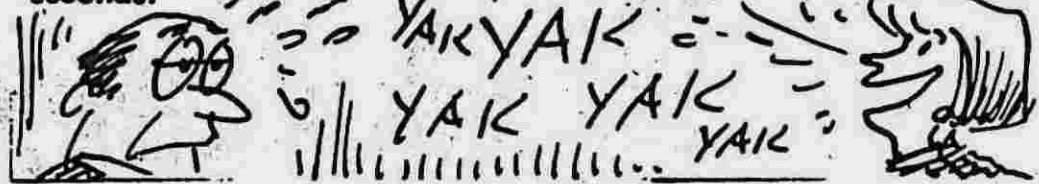

Congressman Robert McClory will be honored by the National Small Business Association and the National Committee For Small Business Tax Reform at a special ceremony to be held May 23

on Capitol Hill in Washington, D.C.

Congressman Robert McClory will be awarded a Certificate of Appreciation from the two organizations in recognition of the Congressman's support for the enactment of Small Business Tax Reform Legislation now pending before Congress.

Edward Larson, National Chairman of the Committee and President of The Anderson Company (ANCO) of Gary, Indiana praised the stand of the Member of Congress and further stated, "The forthright action on the part of Congressman Mc Clory in publicly supporting tax simplification and reform for the 16 1/2 million small businessmen in America, and particularly those in his District, deserves the highest recognition. This action should be regarded as the first move in the direction of equitable tax treatment for nineteen of every twenty firms in the United States which are small business."

#### ARBORETUM SPRINT TOURS UNDERWAY

In May, when spring wildflowers, daffodils and flowering trees are blooming, visitors can tour the Morton Arboretum via an open-air bus. Leaving from the main East-side parking lot, the bus makes a seven-mile loop through the grounds, passing the Rhododendron Collection, the Crabapple Collection, the Lilac Collection, and through native woods carpeted with wildflowers. During the fifty-minute tour, an Arboretum guide explains botanical and ecological features and tells about the history and purposes of the Arboretum.

Tours leave at 2:00 p.m. weekdays and at 1:00, 2:00 and 3:00 p.m. on Saturdays. There are no tours on Sundays. Each trip can accommodate thirty passengers, and the charge is fifty cents. These tours are intended for families and individuals, not for organized groups. Tours will be cancelled in wet or cold weather.

Visitors are reminded that

the Arboretum entrance and parking fee is now \$1.00 per car.

## New Excursion Ship

The "Belle of the Lake", a spacious replica of an old-time lake steamer, nears completion as the newest excursion ship soon to hit the waters of Lake Geneva, Wisconsin in time for this year's tourist season. On her double decks, the 225-passenger "Belle" will carry visitors to the various beauty spots on the lake and on a panoramic tour of the numerous mansions dotting the shoreline. With the addition of the "Belle", Gage Marine Corporation, operators of the Lake Geneva excursion fleet, will boast seven ships available for tourists and charter groups. The "Belle" is a sister ship to the "Lady of the Lake", Gage Marine's sternwheel vessel which was launched nine years ago; prior to the "Lady" there had not been an addition to the official sight-seeing ships on the lake since 1926.

## V - A Poster Contest

A national poster contest for high school students with the theme "Hire A Veteran," was announced today by Donald E. Johnson, Administrator of Veterans Affairs.

Savings bonds will be awarded to local and state winners throughout the country. The local and state competitions will eventually produce three national winners who will receive trips to the nation's capitol in October.

Local and state veterans groups and other service organizations will be asked to participate in the contest in their localities, Johnson said.

The three national winners will be Johnson's personal guests at the annual Veterans Day national observance at Arlington National Cemetery on Monday, October 23. Johnson is Chairman of the President's Veterans Day National Committee. The national winners as VIPs will be treated to other awards and events while in Washington.

Johnson is enlisting the aid of state governors and commissioners of education. Information is being mailed to school principals so that the contest can get underway promptly when schools open after the summer vacation. Students (in grades 9-12) in public, parochial and private schools are eligible. Poster sizes will be restricted to 17 x 22 inches.

Administrator Johnson pointed out that the Veterans Administration has been instrumental in bringing thousands of veterans and prospective employers together at job fairs throughout the country. While responsibility for assisting veterans in finding jobs rests with the Department of Labor, the total welfare of the veteran and his family is of prime concern to VA which is the largest employer of veterans in government. Recent hirings by VA have averaged

about 1,000 a month.

Johnson said that he hopes during their summer vacation students will give thought to the poster contest even sketching their ideas in preparation for the return to school and the start of the contest.

## Nature Walk - May 20

The Illinois Dunesland Preservation Society has scheduled its season's first Nature Walk on Saturday, May 20th at 10:00 a.m. to begin at the Nature Preserve Parking Lot Illinois Beach Park at Zion, Illinois.

There is no charge and scouts, 4-Hers, all outdoor-minded adults and children are cordially invited

by the conservation group. Naturalists will point out interesting plants, birds and wildlife unique to the nature preserve and Dead River area.

For further information please call Walter L. Vogl, President at 662-8855 or 824-6665.

The next hike will be on June 24th.

## ROCKFORD TO HOST

### REPUBLICAN STATE CONVENTION

Victor L. Smith, Chairman of the Illinois Republican State Central Committee, today announced the selection of Rockford, Illinois, as the site for the 1972 Republican State Convention to be held on June 17.

"I am pleased that the Committee (Republican State Central Committee) has chosen

Rockford as the meeting place for the 1972 Republican State Convention.

"Rockford, Illinois' second largest city, has never hosted the Republican State Convention.

"It is fitting that we recognize the importance of Rockford and all Northern Illinois to the Republican party by holding our 1972 convention in that city," stated Smith.

Smith continued, "the work of this year's convention will include: the writing of Illinois' Republican party platform;

election of Republican electors to the Electoral College; election of ten delegates and ten alternates for this year's Republican National Convention; and the nomination of candidates for Trustee of the University of Illinois to be elected at the November 7 general election."

Announcements of the Chairmen and Committee members to consider these tasks will be made at a later date.

Joseph R. Hale, Republican State Central Committeeman from Ridgway, was Chairman of the Site Selection Committee picking Rockford as the convention host city.

David L. Martenson, Republican State Central Committeeman from Rockford will be in charge of local arrangements.

The Convention will convene at 12:00 noon, June 17, at the Field House at Rock Valley College.

## Groundbreaking at CLC

"Dig" was the word as the members of the Board of Trustees of the College of Lake County broke ground for Phase I construction of the permanent facilities of the College campus. Shown wielding the "golden" shovels are (from left to right): Dr. Lawrence Day (Libertyville), Walter Kroll (Waukegan), Mrs. Helen Kopriva (Antioch), T. E. Paxton (Zion), Mrs. Thelma Sandee (Waukegan), F. James Lumber (Round Lake) and Robert Wright (Libertyville).

## CLC Meets Counseling Standards

The American Board of Counseling Services has informed the College of Lake County that the counseling services provided by the college meet the standards of professional competence and ethical practice as established by the American Board.

Approval by ABCS is granted for a one-year period. "The one-year period was specified because the American Board of Counseling Services is undergoing a change and will be called the Association of Counseling and Human Development Services," stated Dr. Walter Petersen, Director of Counseling at CLC.

According to Dr. Petersen, "The Association of Counseling and Human Development Services will replace the American Board effective 1973 and will assume the American Board's accreditation of settings and services performed by counseling centers. Most likely, the College of Lake County will be placed on the ACHDS accredited membership roster

and will face re-evaluation of the counseling services at the termination of a five-year period from the date of last accreditation. During the intervening years, each accredited member institution must submit an annual written report on changes in personnel, scope, and procedures which occurred in the preceding years to the Association."

The College Counseling Center is located at the Grayslake campus in building No. 1, the College Center, and is staffed with seven professionals whose primary goal is to "increase self-understanding and to help students realize their potential." Dr. Petersen indicated that the primary reason for the approval of CLC's counseling services lies in the competence of the professional counseling staff of the College and cited David Beck, James Haas, Nancy LeCraw, Carrell Loveday, Gale Montgomery, Frank Nichols, and Tom Walsh for their outstanding services.

## Three Accelerated Summer Programs

For students who desire to make up work or shorten the time required to obtain a college degree, Roosevelt University will offer three accelerated summer programs.

According to Charles Simmons, associate dean of admissions and records, registration for summer school will be held June 14-17, with applications now being accepted.

Because of longer class periods, the work covered in each summer course is the same as that covered in a regular semester. Classes for the first six week day term will begin June 19 and the second day-term will run from July 31 through Sept. 8. In addition, the University will offer an eight week evening session, beginning June 19.

Students who have previously attended Roosevelt but were not in residence this spring, should file an application for readmission in the Registrar's office, Simmons

said. Those who have attended Roosevelt may want to the office of educational information for applications.

With the recent changes in the general education requirements in the College of Arts and Sciences, entering students will have more freedom and greater flexibility. Instead of a cumbersome and complex system of sequential courses, the new program allows the student greater leeway in selecting what he will study. These changes go into effect this summer, advises Ralph L. Carnes, dean of the College.

The University's four colleges—Arts and Sciences, Business Admin, The University's four colleges—Arts and Sciences, Business Administration, Continuing Education and Chicago Musical College—and its Graduate Division offer some 40 fields of concentration in 17 departments.

Living accommodations are

available in Roosevelt's Herman Crown Center, a modern 17-story, air-conditioned residence hall adjoining the University's historic main building in downtown Chicago.

## AIR SHOW Thrill at Burlington

(Burlington)—Standing on a wing of a plane while in flight is not usually the recommended way of getting someplace. But, in the case of Sandi Pierce, it's the way to thrill crowds and make a living.

Sandi is the wingrider who will perform at the Burlington (Wis.) annual All American Aerobatic Competition and Air Show on Saturday and Sunday, June 17-18.

Actually, not too many things can be considered usual on those two forthcoming action-packed days in Burlington, as dozens of aerobatic acts will fill the skies with viewing excitement for young and old alike.

The Flying Pierces, as Sandi and her husband Walt are billed, are the only husband and wife airshow team currently in the United States. Their dangerous wingride act pits nerve against the elements.

She takes a philosophical point of view when discussing her act.

"I have a simple job," she says, "All I do is wave at the crowd."

After going through a series

## Rotarians Hear Fishing Tips

Antioch Rotary Club members were the beneficiaries of tips and rules on fishing and boating safety at their weekly meeting, held May 12th, at the Brave Bull Restaurant.

The group was entertained by Captains, Tom Gockel and Roger Laird, members of the Coast Guard Auxiliary and skippers in the Waukegan Charter Boat Association.

Laird's presentation was geared toward boating safety. He stressed this point as a tenet to good fishing due to the unpredictable nature of Lake Michigan waters and the scanty knowledge many fishermen have in coping with such an

expanse of water.

He made his point by listing the example of a man who spent four days drifting between Milwaukee Harbor and Michigan City.

Afterward, Captain Tom Gockel addressed the club on Coho Salmon fishing. Included in his lecture were tips and insights about Salmon fishing as well as their historical background and research into their natural habits.

In addition, Gockel exhibited a collection of lures, poles and an electronic fish locator.

The two men appeared as the guests of Tony Starcevic, who was in charge of the week's program.

### COLOR PHOTOGRAPHY

### DISPLAYED AT MUSEUM

"Rejoice," a new exhibit of color photographs, depicting the joy and happiness in the faces of children throughout the world, is now on display at Chicago's Museum of Science and Industry.

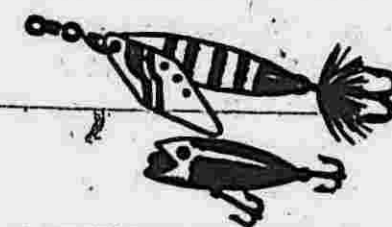

The color pictures are the work of photographer William I. Kaufman. They were taken during a worldwide assignment for the United Nations Children's Fund (UNICEF), and include subjects from 42 different countries in Asia,

Africa, Latin America, and the Middle East. Kaufman contributed the pictures to UNICEF to be used as illustrations in books of songs, prayers, legends, and poems.

The theme of the exhibit is that there seems to exist a common bond of natural and unexpressible happiness among children throughout the world. This is what Kaufman discovered while accomplishing his objective to portray children who have been acquainted with UNICEF programs of health, education and nutrition.

Presented as part of Eastman Kodak's "This Is Photography" exhibit, the color photographs can be seen during the museum's visiting hours: 9:30 a.m. to 5:30 p.m., Monday through Friday; and 10 a.m. to 6 p.m., Sundays and holidays.

Admission is free.

of low-level loops and rolls, at times exceeding 140 miles per hour, she concludes with an inverted pass over the spectators.

All that saves Sandi from injury or death is a harness and brace which helps keep the 26-year-old lass in balance and position.

Her husband, Walt, 32, talked his wife into the act about three years ago when he asked her to marry him. She accepted the proposal and the job.

Her wingriding is done atop a 450 Stearman biplane.

## Mid America Air Show

Triple parachute cut-a-way parachute pull-off ladder (600') follow the opening jump of Bob Lebeaux at the Aurora Municipal Airport June 10th and 11th.

Heading the two hour aerobatic show are 727 pilot Jim Lacey and Bob Davis presenting thrilling low-level dual and solo routines in experimental Pitts Specials. Sandi Pierce rides the wing of their 450 Stearman while husband, Walt, handles the controls. The inverted ribbon cut is a Pete Myers Clipped Cub special.

Sunday, June 11 experimental, antique, and Warbirds of America, will fly over the Chicago area before arriving at the Aurora Municipal Airport for judging. Trophies will be awarded just prior to the 1:00 p.m. aerobatic show Sunday.

The gate opens 11:00 a.m. Saturday and 9:00 a.m. Sunday. Breakfast will be available Sunday morning. Tickets are \$1.00 for children 12 and under and \$2.00 for adults. Aerobatic show is Saturday and Sunday at 1:00 p.m. The Aurora Municipal Airport is located seven miles

west of Aurora on U.S. Route 30. The program is a benefit for Foxhill Home in Batavia, Illinois.

## Abbotts Elects Roberts Vice President

WALTER ROBERTS JR.

**ABBOTT LABORATORIES ANNOUNCEMENT**—May 11, 1972—Walter Roberts, Jr. has been elected a vice president of Abbott Laboratories and president of the company's Consumer Products Division, it was announced today by Edward J. Ledder, president and chief operations officer of Abbott. The appointment is effective May 30, 1972. He will also be a member of the company's Operations Committee.

Roberts, 45, comes to Abbott from Miles Laboratories where he was executive vice president, group

services, consumer products group.

In his new position, he will be responsible for all of Abbott's consumer product lines, which include Sucaryl non-caloric sweeteners, Murine eye drops, Clear Eyes decongestant, Lenseine contact lens solution, the Faultless line of household sundries and Faultless golf balls and clubs.

Roberts was with J. Walter Thompson Co., New York, from 1952 to 1963. Following this, he joined Miles Laboratories in 1963 as group product manager. In 1964 he was promoted to vice president, advertising and sales. He was named vice president, marketing, in 1966 and executive vice president in 1970. He holds a bachelor of arts degree from Princeton University and a master of business administration from the Harvard Business School.

He is a director of the National Advertising Review Board, Southwestern Michigan College Foundation and the Stanley Clark School of South Bend. Roberts, his wife and their three children will relocate in the Chicago area soon.

The active young combo, "Sumpin Else", has been gaining much experience in the grade school circuit. The area youths are (l to r) Larry Lass, Steve Guardi, Bob Bunker and center Joe LaFata.

## MOTORISTS URGED TO PARTICIPATE IN NATIONAL CLEAN AIR CAMPAIGN

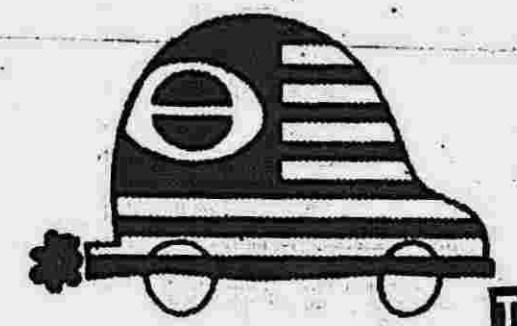

Air pollution, like the weather, is often talked about but only rarely changed by the hands of man. Now, each operator of America's 110 million motor vehicles can take a very real and effective stand against the continuing destruction of our environment by actively participating in "National Check Your Vehicle Emissions Month."

Because some 40 per cent of our air pollutants come from automobiles, much of this from cars needing maintenance, it is vitally important that everyone who drives takes part in this national program, which promises to drastically cut down on harmful vehicle emissions.

With the idea stemming from a recent Congressional resolution, April has been targeted as "National Check Your Vehicle Emissions Month," during which automotive service mechanics all over the country will be offering a 12-minute, three-systems engine check to help spot the cars which are excessive polluters.

Developed by a team of technical experts from the service industry, the special check tests the operating efficiency of an auto's ignition, carburetion and emission

control systems. Comprehensive studies show that when

these three systems are properly adjusted, individual vehicle pollution can be reduced significantly. Fuel cost savings (as much as \$21.00 per vehicle, per year) can also be realized.

Service dealers offering the special three-systems check can be easily identified by banners announcing the "National Check Your Vehicle Emissions Month" campaign and displays of the "Cleaner Air Car" symbol pictured above.

## Air Force Responds To Mine Disaster

The Air Force, responding to a Bureau of Mines request, provided airlift assistance for rescue personnel and equipment to the site of a silver mine disaster in Idaho.

An Aerospace Rescue and Recovery Service HC-130 from the 41st Air Rescue Squadron, Hamilton AFB, Calif., was diverted from a mission to Minot AFB, N.D., to O'Hare Field, Chicago, to pick up two Bureau of Mines rescue experts and transport them to Spokane, Wash.

The Air Force also provided airlift for special rescue equipment. Two C-130 transport aircraft from the 316th Tactical Airlift Wing, Langley AFB, Va., and two from the 440th Tactical Airlift Wing, Gen. Billy Mitchell Field, Milwaukee, airlifted seismic locating equipment and borehole sensing and TV equipment from Allegheny Airport, Penn., to Fairchild AFB, Wash. Also airlifted were six mine specialists from the Bureau of Mines.

## Summer Drivers Ed Program at ACHS

Summer Driver Education will be available to any resident of the Antioch Community High School District who is under 21 and will be at least 16 before September 1. The course consisting of 30 hours of classroom work, 12 hours of simulation and 3½ hours of behind-the-wheel instruction will start on June 15 and be completed on July 28. Anyone that is planning a vacation or attending a camp during this period of time should not try to take driver education during the summer since every day attendance is required.

Young people are reminded that if they are to be licensed to drive in the State of Illinois

before their 18th birthday that they must successfully complete an approved course in driver education. Applications are now being taken at the high school from residents of the district that are under 21 and who will be 16 before September 1. The only cost involved will be the cost of the driving permit and texts.

If you are interested in the summer driver education program please contact Mr. Lear at the high school as soon as possible. Eye tests and written tests must be taken during the next three weeks in order that all necessary paper work can be completed and driving permits issued by the drivers licensing office.

## "Indianapolis of Wisconsin" Opens Sat. May 20

The Kenosha County Speedway in Wilmot, Wisconsin, has in the past been referred to as the Indianapolis of Wisconsin. The name was originally attached because it was then and still is today as the 1972 Season opens, a "hot bed of auto racing." That and the fast pace of the cars in dirt track combat, are about as far as the similarity goes.

When the entries closed for the 1972 Indianapolis 500 Mile race, 81 cars were registered to try for 33 starting positions. Only a few fans can now remember back when only 33 cars raced at Wilmot.

The opening night on May 20, will find 90 or more cars in the pits and all will have a chance to be in a race before the night is over.

Time trials will last for only a little more than an hour compared to the four-seven

hour periods at the Indianapolis Motor Speedway.

Only 16 of the top qualified modifieds will race in the 30 lap feature race but everyone gets a chance in not only one of the five-10 lap heat races, but 24 more will race in the semi-feature with everyone else going in a rough and racey consolation race.

None of the Wilmot drivers of the Interstates Racing Association will make even as much as the 33rd finisher at Indianapolis but instead of a \$1000.00 entry fee, each driver will pay only \$4.00 to cover the frequently used high risk driver insurance policy.

Many will take their shiny new season machines away from Wilmot in battered hulks that will be litterly scooped onto the trailers following the rough action at Wisconsin's version of Indianapolis. However, when the pit gate

opens on the following Saturday night at Wilmot, they will be back and each driver and owner will be hoping that the fans at Wilmot, just like the fans at Indianapolis, continue to return in ever increasing numbers.

The action at Wilmot opens on the old track just about as it ended last year with Champions Johnny Reimer, Whitey Harris, Roger Otto, Don Sorce and a new Champion from the MSCRA Arron Solsrud, being the top contenders. This year though with the greatly improved cars, drivers like Jr. Dodd, Waukegan; Denny McKay, Elgin; Dennis Rolansky, Racine; John Olson, Round Lake; Larry Leach, Elkhorn; Butch Bergsma, Richmond and Paul Cameron, Round Lake, things at Wilmot could take on an even greater resemblance to the Indianapolis Speedway.

## GENEVA STOCKS in May Championship

This Saturday night, May 20, HATO Racing, Inc., will present the first in a series of two May Championships at the Lake Geneva Raceway.

This Saturday night the late model stocks will race in a special 40 lap May Championship. The following Saturday night, May 27, the Sportsman Stock cars will race in a 30 Lap May Championship for their group.

Only two drivers have reached the rain drenched victory circle in previous late model features at Lake Geneva. Kurt Peterson and Tom Jones have had these victories. However, Ed Hoffman, Niles, is figured to show his winning form in the longer race distance.

Another top contender will be Burnell Knudsen, of Woodstock who has long been an up front contender at the Lake Geneva oval.

Delevan, Elkhorn and Burlington drivers in the sportsman class have each been favorites in that class and will go for the May Championship

in that group on May 27.

The modified stock cars will now race on Sunday nights under the Interstates Racing Association banner and the switch of these cars to Sundays will make it possible for Hato Racing to expand the program of the three remaining groups. Spectator stocks headed by two time winner John Braun, Hebron will continue to supply the fierce fender bending action at all Saturday night programs.

### SCRRRE PRESENTS —

On Sunday, May 21, SCRRRE presents THE DIE IS CAST, a for fun automobile road rallye running on some of the most scenic roads in the area. This event is open to everyone—all you need to bring is a car and a friend. Trophies will be given to the top 10% in each of three classes as well as best first rallye. Registration opens at 9:30 a.m. at the Lake Forest Oasis (Northbound) on the Tri-State, with the first car

## Chuck Chadwick Pulls Upset at Waukegan Speedway

Chuck Chadwick of Lake Zurich may have pulled the upset of the year on Saturday night at the Waukegan Speedway as former Hobby Stock driver topped 24 other late model pilots in the nights event winning the 30 lap feature race.

Chadwick raced wheel to wheel with eventual 2nd place finisher, Bob McKay of Morton Grove, for the 1st lap before gaining the lead which he never gave up.

The race was stopped in the 3rd lap following a spin by Tom Reuss of Wildwood, a resulting tangle involving Lee Schuler of Lockport and Herb Artelt of Wildwood. Schuler was eliminated with a broken radiator but Artelt returned after a pit stop.

By the 15th lap the order of leaders saw Chadwick 1st - followed by McKay, Lou Clavey of Deerfield, Roy Acuff of Chicago, Tom Musgrave of Mundelein, Dennis Johnson of Skokie and Pete Brewer of

Waukegan. At this point Brewer started moving toward the front, passing Musgrave in the 18th lap, Johnson in the 23rd, and edging Acuff for 4th money in the 29th lap. Clavey finished 3rd.

A large field of Hobby Stock cars was on hand with the feature race bringing the large crowd to their feet in the final lap. Rip Tucker of Park City, passed Abel Evila of Wauconda with 5 laps remaining to take the lead.

However, Joe Horn of North Chicago closed on Tucker in the final laps and a move in the last turn put Horn in the lead for the win. Tucker finished 2nd, and Ken Hamann of Waukegan was 3rd.

A late afternoon thundershower forced cancellation of the Sunday night racing shortly before the first race was to begin.

Racing continues at the Waukegan Speedway next Saturday and Sunday night, with the first race at 8 p.m.

## Geneva Stocks Enjoy Best Crowd

The largest crowd of the season responded to the better weather at the Lake Geneva Raceway Saturday night for the Four Star Feature stock car racing by Hato Racing Inc.

They saw a special match race between rookie modified stock car driver Stan Horton, Antioch and Champion Late model driver, Ed Hoffman, Niles. They were paired up by their respective times in qualifying. Hoffman had fastest late model qualifying with a 17.78 while Horton turned a 17.80 in his group that placed him far down in the qualifying order. Horton won the special match race by less than a car length over Hoffman.

Modified heats were won by Ray Stevens, Richmond; Wally

Jores, Fon Du Lac; Roger Otto, Burlington; and Paul Cameron, Round Lake. The semi feature for 15 laps was won by Mike Schissel, Oak Creek and Otto won the feature after a swift move from 6th starting spot to pass Larry Leach, Elkhorn on the 8th lap. Whitey Harris, Lake Villa, once again had fast time for the modifieds at 16.91. His car broke an axel in the feature and he finished 15th.

Burnell Knudsen, Woodstock, won the late model feature as well as his heat. Dave Evans, Crystal Lake won the other heat.

Sportsman stock car events were won by Gil Couillard, Caladonia and Ken Hintzpetter winning not only his heat but the feature as well.

Brent Connely, Elkhorn, won the Spectator Stock car feature. The attendance was 2350 contributing to a \$2525.00 purse for the 85 cars taking part in the action. The count was also a new high for the season.

Saturday May 20, the late models race in a 40 lap May Championship and the modified stocks move to Sunday night racing for the remainder of the season.

## AIRPORT AND AIRWAY TAX COMPLIANCE

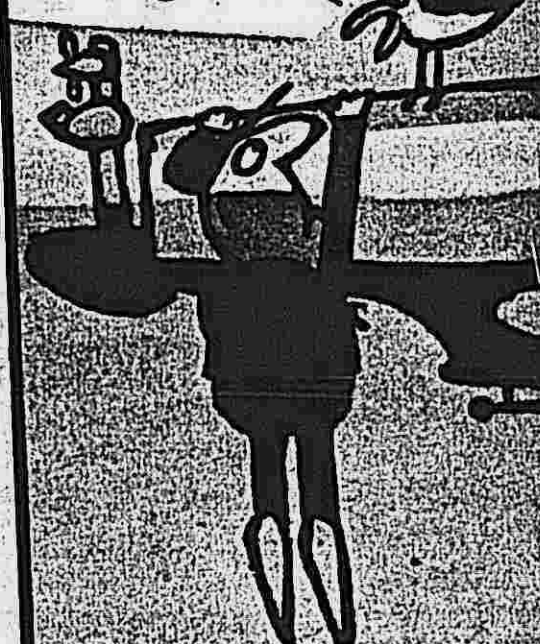

Roger C. Beck, District Director, Internal Revenue Service for Northern Illinois, announced today that the IRS has initiated a compliance program on Airport and Airway taxes. The Airport and Airway Revenue Act of 1970, Public Law 91-258, updated the tax laws to increase the funds available for the maintenance and improvement of the nation's airway system.

This tax requires all owners of aircraft to file annually Form 4638, and pay a \$25.00 Use Tax per plane and a poundage tax if the plane has a maximum certificated take-off weight of 2,800 lbs. or more.

In addition with commercial or noncommercial airlines, the law imposes an 8% excise tax on the cost of transportation of persons by air and/or a 5% excise tax on the cost of air transportation of goods; the tax is collected by the airline and is payable to the Internal Revenue Service quarterly on Form 720.

The law also imposes a three cent per gallon tax on gasoline used in aircraft and a seven cent per gallon tax on jet fuel. The tax is collected by the ultimate seller and paid to the Internal Revenue Service quarterly on Form 720. There is no fuel tax if the transportation tax applies. On any flight there will be a fuel tax or a transportation tax, but not both. Generally, the fuel tax applies to private aircraft.

# Sequoit Errors Cost 2 Games

A week of erratic play on the diamond cost the Sequoits two games with conference rivals and effectively knocked Antioch from contention in the loop race.

Antioch was guilty of a total of 16 errors in the three game set, and could salvage only the finale.

In the first game a sieve-like defense was responsible for the loss to Round Lake 7-4. Tip Off to the poor caliber of play was the fact that Sequoit pitchers were charged with only three earned runs.

The Sequoits did all their scoring in the first three frames and then sloppily gave the game away being charged with six errors.

Losing pitcher, Jerry Jakob, deserved a better fate, but mishandled chances and four walks cost him the victory. The junior hurler gave up three earned runs on seven hits over five and two thirds innings.

Big gun in the game for the Sequoits was third baseman, Brian Zale. Zale knocked in one run with a first inning single and two innings later scored, following his second hit of the game, a triple.

In the second game, held May 11th, Lake Zurich beat

the Sequoits 8-3, behind the strong pitching of Bob Schiller.

Lake Zurich scored in every inning but the fourth and with the help of eight Sequoit errors, easily ran away with the game.

Losing pitcher, Glen Amundsen, did not show his usually blazing fastball, but still pitched well enough to earn a better decision. The Junior was tagged for only three earned runs of the seven scored while he was on the hill.

On May 12th, Antioch pushed across two runs in the bottom of the sixth and clung on to a hard fought 10-9 victory.

The Sequoit's shored-up their sagging defense long enough to allow starter, Fred Popp, the win. The Junior hurler was backed up by a nine hit attack that frequently bailed him out of ticklish situations.

Many Antioch batters enjoyed a good day at the plate. Tim Mieure, got on base four times via an error and three walks. Fred Popp, had two singles. Brian Zale, went two-for-five on a single and a home run. Greg Crutchfield, also had two hits and drove in three runs including the game winner.

## Track Team Wins 2-Looks to District Meet

Antioch's varsity track squad swept a pair of meets last week and now heads toward the district and conference meets with no little momentum.

The two wins came over conference rivals Wauconda and Round Lake by scores of 71 to 56 and 109 to 18.

Last Thursday's win over Wauconda was indeed a narrow one. Sequoit runners won or placed second in many events and distance man Gary Mandehr set a new school record in the two-mile run with a time of 9:47.1.

In addition to Mandehr's record finish, Sequoit distance runner Gary Weiss placed first in the 440 while teammate Don Thompson finished second. Mandehr won the mile. Tim O'Neill won the 880 while Ken Jackson finished third. Paul Dodd finished third in the 2 mile.

Sprinters Rick Simon broke

Antioch's varsity golf squad split a pair of matches with non-conference schools last week to close out their regular season play.

The win came over Zion by a score of 195-200. The loss was at the hands of Carmel 200-172.

It was less than a successful season, score wise, for the linksmen as a combination of bad weather and inexperience

didn't allow the Sequoits to even gain any real momentum.

the tape in both the 100 and 200 yard dashes. Bob Bailey placed third in both events.

The mile relay team of Reed Ano, Mark Andrews, Don Thompson and Gary Weiss also took first place.

In the individual events, Pat Michalak won both the high and low hurdles and placed second in the high jump. Bob Becvar placed second in the low hurdles and third in the high hurdles and Tim O'Neill finished third in the high jump.

Mark Andrews was also a winner in the long jump while Dave Donica finished second. In a trio of thirds, John Cook was third in the pole vault, Brad Fortney was also third in the discus and Steve Peterson gained a third in the shot.

In a meet held Friday, May 12th the Sequoits humiliated Round Lake 109 to 18.

First included Simon in the

100 yard dash, Thompson in the 440, Gary Mandehr in the mile, Becvar in the high hurdles, Ano in the 220, Ken Jackson in the 880, Bob Huebner in the shot, Fortney in the discus, Michalak in the high jump, Andrews in the long jump and Cook in the pole vault.

In addition, the team of Andrews, Bob Bailey, O'Neill and Mike Jones set a new sophomore 880 record. The same group, except with Doug Banwart as a replacement for Mike Jones, also set anew record in the mile.

The team will compete in the end of the season districts and conference meets on Friday, May 19th and Tuesday the 23rd. Both are under the lights and will begin at 4:30 p.m. Sites are listed as Mount Prospect High School for the Districts and Grant for the Conference meet.

## Emmons Wins Crucial Contest

The Emmons Raiders traveled to Grass Lake to protect their 2 consecutive titles in Softball. Both teams were undefeated for the season; Grass Lake 3-0, Emmons 2-0.

The Raiders opened up the first inning with 3 runs. With 2 outs Ken Cash walked. Jeff Eder followed with a line single putting runners on 1st and 3rd. Tom Grego's double brought Ken Cash across for the first run advancing Eder to 3rd. John Christiansen lined a single to center field and two more runners dented the plate.

Emmons lead was cut to one run in the bottom of the third. Grass Lake had pecked away at the lead, 2 runs in each the 2nd and 3rd innings.

In the 4th Emmons crashed in 3 more runs to put the game under control. Grego reached on an error, Christiansen doubled driving Grego to third. A walk filled the bases. Paul Petty's infield single scored 1. Jerry Schmidt reached on an error, scoring another run. Jon Bodin's clutch single drove home the final run of the inning. Grass Lake tightened their defense to cut the rally at the point.

In the 7th Emmons added two insurance runs. Dave Lagerstrom bombed a circuit clout to left center field to open the inning, reached first on an error and was driven home as Grego lined a two base error off the 3rd basemen's leg.

Grass Lake rallied in the bottom of the 7th for one run. However, clutch pitching from the starter Eder choked the rally. Key defensive play in the final inning was a double play executed by Bodin to Grego at first. Mike Vaughn lined out to Eder for the last out. That

closed the season for Grass Lake with the record of 3-1.
